Notes to the Consolidated Financial Statements

31. Entity-Wide Disclosures, page F-70

1. We note your response to prior comment 6. IFRS 8.33 requires revenues in an individual foreign country that are material to be disclosed separately. As such, please revise future filings to separately quantify any material amounts. To the extent you believe your sponsorship or other revenues are not overly meaningful on a country-level basis, we would not object to the inclusion of relevant clarifying disclosures that supplement this IFRS disclosure requirement.
