Our Story

At the 2011 Network of International Circus Educators Conference in Berlin, Circus Mojo's Creator, Paul Miller, met Circusplaneet's Coördinator, Matthias Vermael. An innovator, free thinker, and showman, Vermael introduced Miller to BIRCUS, an idea sparked from the desire to eschew government funding in pursuit of circus autonomy. Fancy that! These kindred spirits bonded over a couple BIRCUS beers and planned to bring this big-top idea stateside. Miller licensed the concept and set forth to expand the Ludlow Theatre into a brewery connected to local history, community outreach, unique entertainment and stellar beer.

In 2015 Miller purchased equipment made in California by New World Brewing Systems in October of 1996, the month and year he proposed to "Gourmet" Renée, his wife of 18 years and namesake of the LLC. It was fate: love, circus and beer. The brewing system consists of a 5 barrel brewhouse, three 10 barrel fermenters and three 10-barrel bright tanks. Each tank has a glycol jacket and there is a glycol storage unit in matching stainless.

Highlights

- Poured our first beer for sale in our parking lot 3/14/2018. That November we opened our adjacent 25-seat tasting room.
- Began distribution in NKY with Chas Seligman in 2018.
- In November 2019, the Historical Ludlow Theatre reopened with the Bircus Brewing Co. serving craft beer and Circus Mojo providing circus acts.
- Secured rights for self-distribution and raised \$250K from 200+ investors to expand into leased 2nd location in Covington, KY, and attempt self-distribution. Closed this location at the end of the 2-year lease. Proud to say our partner North South Baking Co. is still using the

space to its best use. Bircus needs space to host events circus etc.

- By focusing on positive developments Bircus helped Ludlow become the Hottest Real Estate Market in all of Kentucky from 2010-2020 according to property reinsurance firm Insurify
- 2023 Secured historic listing 8 Highway Ave with plans to scale brewing ops and distribute worldwide.

"Every major city has a Ludlow. And in that Ludlow, there is an empty theatre and young people who have dreams, are hustlers, and can do great things."

The investor will have five (5) business days from the receipt of such notice to reconfirm their investment. Explanation

A “material change” means a change that an average, careful investor would want to know about before making an investment decision. If a material change occurs after you make an investment commitment but before the Offering closes, then the Company will notify you and ask whether you want to invest anyway. If you do not affirmatively choose to invest, then your commitment will be canceled, your funds will be returned to you, and you will not receive any securities.

(L) Price of the Securities

The Company is offering “securities” in the form of non-voting membership units, which we refer to as “Units.” The Units are being offered at \$500 for one Unit.

(M) Terms of the Securities

Overview

The Company is offering “securities” in the form of Non-Voting Membership Units which are referred to as “Units.” The Units are being sold at a price per Unit of \$500 and fractional units can be purchased for \$250 per one half Unit. The maximum amount of additional Units that may be sold in this offering is 248 units.

Summary of Terms

Once you pay for your Unit(s), you will have no obligation to contribute more money to the Company, and you will not be personally obligated for any debts of the Company. However, under some circumstances you could be required by law to return some or all of a distribution you receive from the Company.

No Right to Transfer

You should plan to hold the Units. The Units will be illiquid (meaning you might not be able to sell them) for at least four reasons:

- The Operating Agreement prohibits the sale or other transfer of Units without the Company’s consent.
- If you want to sell your Unit the Company will have the first right of refusal to buy it, which could make it harder to find a buyer.
- Even if a sale were permitted, there is no ready market for Units, as there would be for a publicly-traded stock.

Other Classes of Securities

Name of Security	Limited Liability Company Interests
Number of Shares Outstanding	N/A
Describe Voting Rights of These Securities, Including Any Limitations on Voting Rights	N/A
How these securities differ from the Non-Voting Membership Units being offered to investors	Limited Liability Company Interests are an equity interest with voting rights, whereas Non-Membership Units do not have voting rights.

Dilution of Rights

The Company has the right to create additional classes of securities, both equity securities and debt securities (e.g., other classes of promissory notes). Some of these additional classes of securities could have rights that are superior to those of the Notes. For example, the Company could issue promissory notes that are secured by specific property of the Company.

The People Who Control the Company

Each of these people owns 20% or more of the total voting power of the Company:

Name of Holder	% of Voting Power (Prior to Offering)
Paul Hallinan Miller	60%

How the Exercise of Voting Rights Could Affect You

The people with voting rights control the Company and make all the decisions about running its business. If they make good business decisions, it is more likely the Units retain value. If they make poor business decisions, it is less likely the Units retain value. For example, if they hire too many people and/or try to expand too quickly, the business could be harmed. The people with voting rights could also decide to file for bankruptcy protection.

How the Units are Being Valued

The Units are being valued at \$500 per unit. Fractional units are available at \$250 for one half of a Unit.

(N) The Funding Portal

The Company is offering its securities through MainVest, Inc., which is a “Funding Portal” licensed by the Securities and Exchange Commission and FINRA.
