Post-qualification Amendment to Form 1-A filed September 6, 2019

General

1. We note the revisions to Section 13 of your subscription agreement include a waiver of Section 18-305 rights by which investors waive their rights to request, review and obtain information relating to Fundrise. With a view toward disclosure, please explain to us the intent of the provision and how it will operate, including whether it could impact investors' rights under the federal securities laws. In addition, please explain to us the scope of the "other information deemed to be confidential by Fundrise in its sole discretion." Finally, please revise your offering statement and subscription agreement to address any uncertainty about enforceability and, to the extent the provision implicates rights under the federal securities laws and rules and regulations promulgated thereunder, state that investors cannot waive compliance with such rules and regulations.
