CIK No. 0001669162**

Dear Mr. Petrucelli:

We have reviewed your amended draft registration statement and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter by providing the requested information and either submitting an amended draft registration statement or publicly filing your registration statement on EDGAR. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing the information you provide in response to these comments and your amended draft registration statement or filed registration statement, we may have additional comments.

Management  
Director compensation, page 123

1. We refer to your statement on page 124 that the non-employee director has received a grant of 10,000 shares of restricted Class B Common Stock "on or about the time of their appointment" to the board. However, although you state that Messrs. Killion, Lippincott, and Yun also became your directors in 2015 in the biographical disclosures, the director compensation table only indicates that Mr. Bensinger received such a grant in 2015. Please reconcile the disclosures.
