VNTR SECURITIES LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018

Note (1) - Nature of business:

VNTR Securities LLC (the "Company"), a Delaware limited liability company, is a registered broker-dealer under the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA") and the Securities Investor Protection Corp. ("SIPC") as of December 21, 2016. The Company engages primarily in providing brokerage service of private placements and direct purchasing of negotiated private transactions for institutional customers and accredited investors.

Note (2) - Summary of significant accounting policies:

(A) Revenue recognition:

Private placement revenues and direct purchasing of negotiated private transactions are recognized when earned.

(B) Cash:

The Company maintains its cash in a high credit quality financial institution. Balance at times may exceed federally insured limits.

(C) Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Actual results could vary from those estimates.

(D) Income taxes:

The Company is a single member limited liability company, and as such, is treated as a disregarded entity by the Internal Revenue Code ("IRC"). The IRC provides that any income or loss is passed through to the ultimate beneficial member for federal and state income taxes. Accordingly, the Company has not provided for federal and state income taxes.

The Company is not required to file an income tax return as it is a disregarded entity for federal tax purposes. The Parent files income tax returns on the accrual basis as a partnership for federal income tax purposes, which includes the Company's income. Accordingly, no provision is made for income taxes in the financial statements.

(E) Concentration of Credit Risk:

The Company maintains its cash in accounts that, at times, may exceed federally insured limits. The Company has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

VNTR SECURITIES LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018

Note (2) - Summary of significant accounting policies (Continued)

(F) New Accounting Pronouncements

The Financial Accounting Standards Board (FASB) has issued a comprehensive new revenue recognition standard that supersedes most existing revenue recognition guidance under GAAP (FASB Accounting Standards Codification 606.) The Company adopted this standard effective January 1, 2018.

The standard's core principle is that an entity should recognize revenue when it transfers promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. ASU 2014-09 prescribes a five step process to accomplish this core principle, including:

- Identification of the contract with the customer;
- Identification of the performance obligation(s) under the contract;
- Determination of the transaction price;
- Allocation of the transaction price to the identified performance obligation; and
- Recognition of revenue as (or when) an entity satisfies the identified performance obligation(s).

The Company recognizes revenue upon completion of private placement transactions as this satisfies the only performance obligation identified in accordance with this standard.

Application of the standard in 2018 had no effect on reported financial position, results of operations or related disclosures.

In February 2016, the FASB issued a new accounting pronouncement regarding lease accounting for report periods beginning after December 15, 2019. A lessee will be required to recognize on the balance sheet the assets and liabilities for leases with lease terms of more than 12 months. Management is currently evaluating the effect this pronouncement will have on the financial statements and related disclosures.

(G) Subsequent events evaluation:

Management has evaluated subsequent events through February 27, 2019 the date the financial statements were available to be issued.

VNTR SECURITIES LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018

Note (3) - Related Party:

The Company has a lease with an affiliate ("Affiliate") to occupy space at \$2,500 a month. Rent expense for the year ended December 31, 2018 was \$30,000.

In addition, the Company has an expense sharing agreement with the Affiliate for providing administrative services. Administrative fees provided by the Affiliate for the year ended December 31, 2018 was \$63,850 with a payable of \$13,462 at year end.

Note (4) - Net Capital Requirement:

As a registered broker-dealer, the Company is subject to the SEC's Uniform Net Capital Rule 15c3-1. The Rule requires that the Company maintain minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). At December 31, 2018, the Company had net capital of \$1,073,755 which exceeded its requirement of \$15,054 by \$1,058,701. The Company had a ratio of aggregate indebtedness to net capital of .21 to 1 at December 31, 2018.
