After reviewing any amendment to your registration statement and the information you provide in response to these comments, we may have additional comments.

General

1. It appears that you are a shell company as defined in Rule 405 of Regulation C, because you have no operations and total assets consisting solely of cash and cash equivalents. Please revise your disclosure throughout to account for the implications of being designated a shell company. Alternatively, please supplementally provide a detailed explanation as to why you are not a shell company.

Management's Discussion and Analysis or Plan of Operation, page 14

2. We note your disclosure in the fifth paragraph that you "have generated sufficient revenue to date." Please revise, as it appears that you have not generated any revenue to date.

3. You disclose you have sold 3,000,000 shares of common stock for net proceeds of \$5,000. Please revise to reflect the \$3,000 net proceeds actually received to date.

Plan of Distribution, page 23

4. We note your disclosure on this page stating that you are registering 3,000,000 shares of your common stock for sale at the price of \$0.001 per share. Elsewhere, your disclosure indicates that the sale price will be \$0.03 per share. Please revise for consistency.

Report of Independent Registered Public Accounting Firm, page F-1

5. We note that the auditors' opinion includes the phrase "subject to the condition noted in the following paragraph." Please tell us how the auditors' report complies with AU-C 706.07d. Also, tell us how this type of opinion complies with the requirements of Rule 2-02 of Regulation S-X.

Item 16. Exhibits, page 38

6. Please file a copy of your subscription agreement as an exhibit. Refer to Item 601(b) of Regulation S-K.

Exhibit 5.1

7. We note the statement in the opinion that "the 3,000,000 shares of Common Stock held by the Company are validly issued, fully paid and non-assessable." Please revise to clarify that the shares registered for sale will, when sold, be legally issued, fully paid and non-assessable or advise.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.

Refer to Rules 460 and 461 regarding requests for acceleration. Please allow adequate time for us to review any amendment prior to the requested effective date of the registration statement.
