Exhibit B

The Board Members of Transamerica ETF Trust approved the following authorizations via written consent on April 27, 2020:

WHEREAS, fidelity bond coverage for the period July 31, 2018 to July 31, 2019 was approved at a meeting of the Board held on July 17, 2018; and

WHEREAS, the term of the fidelity bond coverage was subsequently extended to August 31, 2019, as discussed at the July 16, 2019 meeting of the Board;

WHEREAS, following the July 16, 2019 meeting of the Board, the Board, including those trustees that are not “interested” as that term is defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended, and/or their counsel held subsequent conversations and received electronic materials regarding insurance and fidelity bond matters; and

WHEREAS, prior to the September 17, 2019 meeting of the Board, the Board was presented with information concerning a joint fidelity bond among the Trust, Transamerica Asset Management, Inc. (“TAM”) and the Transamerica Mutual Fund complex effective August 31, 2019 and expiring December 31, 2019 (the “Joint Fidelity Bond”), and the intention of the parties was for the Board to ratify the arrangement at the September 17, 2019 meeting, but the record of said meeting neglects to reflect that such approval took place; and

WHEREAS, the Board and TAM desire to avoid any confusion or ambiguity over the participation of the Trust in (i) the standalone fidelity bond for the period August 1, 2019 until August 31, 2019 and (ii) the Joint Fidelity Bond for the period August 31, 2019 until December 31, 2019; therefore be it

RESOLVED, that the extension of the fidelity bond coverage to August 31, 2019 be, and it hereby is, ratified, affirmed and approved; and

FURTHER RESOLVED, that the Joint Fidelity Bond be, and it hereby is ratified, affirmed and approved; and

FURTHER RESOLVED, that the premium allocations for the fidelity bond are ratified, confirmed, and approved on the basis of all factors deemed relevant by the Independent Trustees, including without limitation the number of parties named as insureds, the nature of the business activities of the named insureds, the amount of the bond, the amount of the premium for the bond, the ratable allocations of the premiums among the insureds, and the cost savings to the respective series of the Trust (each a “Series”) realized by maintenance of a joint fidelity bond as compared to maintenance of a single insured bond by each Series; and

FURTHER RESOLVED, that the officers or agents be, and they hereby are, authorized and directed to take all necessary and appropriate actions as are

necessary to implement the foregoing resolutions; and

FURTHER RESOLVED, that all agreements, instruments and other documents that may be necessary or desirable to implement the intent of the foregoing are hereby approved, with such changes, additions or deletions as the officers or agents deem necessary or desirable, such approval to be conclusively evidenced by the execution and delivery or other finalization of such agreements, instruments and other documents.

AGREEMENT AMONG JOINTLY INSURED PARTIES
Joint Fidelity Bond

This Agreement Among Jointly Insured Parties (the “Agreement”) is made as of January 1, 2019 by and among Transamerica Funds, Transamerica Series Trust, Transamerica Asset Allocation Variable Funds, (each a “Fund” and collectively, the “Funds”), Transamerica Asset Management, Inc. and Transamerica Fund Services, Inc. (each a “TAM Service Entity” and collectively, the “TAM Service Entities”) (the Funds and the TAM Service Entities are collectively referred to herein as the “Insureds”).

WHEREAS, the Insureds desire to be named as joint insureds under a Joint Insured Fidelity Bond with a term from December 31, 2018 to December 31, 2019 (the “Bond”); and

WHEREAS, the Insureds desire to establish (i) criteria by which recoveries under the Bond shall be allocated among the Insureds in compliance with Rule 17g-1 under the Investment Company Act of 1940, as amended (the “1940 Act”), and (ii) the basis on which additional investment companies may be added as named Insureds under the Bond and as parties to this Agreement;

NOW, THEREFORE, it is hereby agreed as follows:

1. In the event recovery is received under the Bond as the result of a loss sustained by a Fund and one or more other Insureds, such Fund shall receive an equitable and proportionate share of the recovery, but at least equal to the amount it would have received had it provided and maintained a single insured bond with the minimum coverage required under Rule 17g-1(d)(1) under the 1940 Act.

2. In the event that an insurer asserts that the liability to a TAM Service Entity in the event of a loss under the Bond has the effect of reducing the maximum limit of its liability under the Bond, each TAM Service Entity agrees to reduce its claim against such insurer under the Bond to the extent required so that any Fund claimant shall receive an amount at least equal to the full amount of its claim or the amount it would have received had it provided and maintained a single insured bond with the minimum coverage required under Rule 17g-1(d)(1) under the 1940 Act.

3. The Insureds may amend this Agreement to add another investment company as a party to the Agreement provided that (a) such investment company satisfies the requirements of Rule 17g-1(b) and (j) under the 1940 Act for inclusion in the Bond; (b) the premium paid by each Fund following the addition of another investment company as a party to the Agreement would be no more than the premium such Fund would have had to pay if it had provided and maintained a single insured bond; (c) such investment company has retained a TAM Service Entity to provide services to the investment company; and (d) such investment company executes a written Addendum to this Agreement in the form set forth in Exhibit A of this Agreement and delivers a copy of such executed Addendum to each Insured.

4. The obligations of the Funds under this Agreement are not binding upon any of the Trustees or holders of units of beneficial interest of any such Fund individually, but bind only the respective assets of each Fund.

This Agreement Among Jointly Insured Parties may be executed in two or more counterparts, all of which taken together shall be deemed one and the same instrument.

IN WITNESS WHEREOF the parties have caused these presents to be executed by their officers hereunto duly authorized all as of the day and year first above written.
