(d) **Compliance with Laws.** The Company is not in violation of any applicable statute, rule, regulation, order or restriction of any domestic or foreign government or any instrumentality or agency thereof in respect of the conduct of its business or the ownership of its properties, which violation would materially and adversely affect the business, assets, liabilities, financial condition, operations or prospects of the Company.

(e) **Offering Valid.** Assuming the accuracy of Investor's representations and warranties contained herein, the offer, sale and issuance of the Shares and the Conversion Shares will be exempt from the registration requirements of the Securities Act, and will have been registered or qualified (or will be exempt from registration and qualification) under the registration, permit or qualification requirements of all applicable state securities laws. Neither the Company nor any agent on its behalf has solicited or will solicit any offers to sell or has offered to sell or will offer to sell all or any part of the Shares to any person or persons so as to bring the sale of the Shares by the Company within the registration provisions of the Securities Act or any state securities laws.

(f) **Material Contracts.** All of the Company's agreements and contracts in effect as of the date of this Agreement involving aggregate payments to or from the Company in excess of \$25,000 and all other contracts deemed material by the Company are, to the Company's knowledge, valid, binding and in full force and effect in all material respects, subject to the laws of general application relating to bankruptcy, insolvency and the relief of debtors and the rules of law governing specific performance, injunctive relief and other equitable remedies.

(g) **Intellectual Property.** To the knowledge of the Company (without having conducted any special investigation or patent search), the Company owns or possesses or can obtain on commercially reasonable terms sufficient legal rights to all patents, trademarks, service marks, trade names, copyrights, trade secrets, licenses (software or otherwise), information, processes and similar proprietary rights ("**Intellectual Property**") necessary to the business of the Company as presently conducted, the lack of which could reasonably be expected to have a material adverse effect on the Company. Except for agreements with its own employees or consultants, standard end-user license agreements, support/maintenance agreements and agreements entered in the ordinary course of the Company's business, there are no outstanding options, licenses or agreements relating to the Intellectual Property of the Company, and the Company is not bound by or a party to any options, licenses or agreements with respect to the Intellectual Property of any other person or entity. The Company has not

(i) **Compliance with Other Instruments.** The Company is not in violation of any material term of its Charter or Bylaws, each as amended to date, or, to the Company's knowledge, in any material respect of any term or provision of any material indebtedness, contract or agreement to which it is party which would have a material adverse effect on the Company. The execution and delivery of this Agreement by the Company, the performance by the Company of its obligations pursuant to this Agreement, and the issuance of the Shares and the Conversion Shares, will not result in any material violation of, or materially conflict with, or constitute a material default under, the Charter or Bylaws, each as amended to date.

(j) **Tax Returns and Payments.** The Company has timely filed all material tax returns required to be filed by it with appropriate federal, state and local governmental agencies. These returns and reports are true and correct in all material respects. (k) **Litigation.** There is no pending action, suit, proceeding, arbitration, mediation, complaint, claim, charge or investigation before any court, arbitrator, mediator or governmental body or, to the Company's knowledge, currently threatened in writing (i) against the Company or (ii) against any officer, director, key employee or consultant of the Company arising out of his or her consulting, employment or board relationship with the Company or that could otherwise materially impact the Company.

(l) **No Disqualification Event.** None of the Company, any of its predecessors, any affiliated issuer, any director, officer general partner or managing member of the Company, any beneficial owner of 20% or more of the Company's outstanding voting equity securities, calculated on the basis of voting power, any promoter connected with the Company in any capacity at the time of sale, any person that has been or will be paid (directly or indirectly) remuneration for solicitation of purchasers in connection with the sale of shares Flash CF Preferred in the Offering (a "**Solicitor**"), nor any general partner, director, officer or managing member of any Solicitor (each, an "**Issuer Covered Person**") is subject to any of the "Bad Actor" disqualifications described in Rule 503(a)(1) to (8) of Regulation Crowdfunding (a "**Disqualification Event**"), except for a Disqualification Event covered by Rule 503(b) or (c) of Regulation Crowdfunding. MUTUAL AGREEMENT TO ARBITRATE AND WAIVER OF CLASS ACTION CLAIMS

THIS MUTUAL AGREEMENT TO ARBITRATE AND WAIVER OF CLASS ACTION CLAIMS (this “**Arbitration Agreement**”) is made as of the date set forth on the Company’s signature page below, by and between Content Launch Solutions Inc., a Delaware corporation (the “**Company**”), and the “Investor” set forth on the Investor Acceptance page below (“**Investor**”). The words “you” and “your” in this Arbitration Agreement refer to the undersigned Investor and anyone acting on the Investor’s behalf including, without limitation, the Investor’s family, heirs, agents and assigns.

RECITALS

A. You and the Company have entered into a Flash CF Preferred Stock Subscription Agreement dated on or after the date of this Agreement (the “**Purchase Agreement**”), and it is a condition to the closing of the sale of the shares of the Company’s capital stock under the Purchase Agreement that you and the Company execute and deliver this Arbitration Agreement.

B. You and the Company are executing this Arbitration Agreement to obtain the benefit of a speedy, impartial and cost-effective dispute resolution procedure.

AGREEMENT

NOW, THEREFORE, for the right to resolve your claims by arbitration rather than through the courts, you agree with the Company as follows:

1. Agreement to Arbitrate. Except as otherwise expressly provided in this Arbitration Agreement, you and the Company agree to settle by final and binding arbitration any claims and controversies arising out of or relating to your investment in the Company (“**Arbitrable Claims**”), which the Company may have against you or you may have against the Company or any third party, (each and every such party is referred to herein as a “**Covered Party**”), including, but not limited to, the following: (a) any claim involving conduct alleged to be in violation of any local, state or federal constitution, regulation, ordinance, statute or common law; (b) any claim for breach of any contract, covenant or duty owed, express or implied (including, without limitation, the Purchase Agreement); and (c) any claim for fraud, misrepresentation, or any other tort. This Agreement is enforceable under and subject to the Federal Arbitration Act, 9 U.S.C. Sec 1 *et. seq.* (the “**FAA**”). For avoidance of doubt, and not as a limitation, FlashFundors, Inc. and its affiliates and other related or associated persons are intended to be Covered Parties.

2. Waiver of Class Action Claims. THE PARTIES AGREE THAT THEY MAY BRING CLAIMS AGAINST THE OTHER ONLY IN THEIR RESPECTIVE INDIVIDUAL CAPACITIES, AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS, REPRESENTATIVE, OR COLLECTIVE ACTION.

3. Arbitration Procedures. Arbitration shall be filed with JAMS, Inc. (“**JAMS**”), and heard by one arbitrator (the “**Arbitrator**”) in the County in which the Company’s principal

executive offices are located (unless otherwise agreed by the parties to the arbitration). The arbitration shall be conducted in accordance with the JAMS Comprehensive Arbitration Rules & Procedures (the “**Rules**”) in effect at the time the claim is made. The Rules can be found and obtained at <http://www.jamsadr.com/rules-comprehensive-arbitration/> or alternatively can be obtained by requesting a copy from the Company. By signing this Agreement, you acknowledge that you have had an opportunity to review the Rules before signing this Agreement. The Arbitrator shall have the authority to order discovery by way of deposition, interrogatory, document production, or otherwise, as the Arbitrator considers necessary to a full and fair exploration of the issues in dispute, consistent with the expedited nature of arbitration. The Arbitrator shall apply, as applicable, federal or Delaware substantive law and law of remedies. The Arbitrator’s remedial authority shall be no greater than that available under each statutory or common law theory asserted and is authorized to award any remedy or relief available under applicable law that the Arbitrator deems just and equitable, including any remedy or relief that would have been available to the parties had the matter been heard in a court. The Arbitrator shall have the authority to provide for the award of attorneys’ fees and costs if such award is separately authorized by applicable law. The Arbitrator shall issue a written opinion that includes the factual and legal basis for any decision and award, unless the parties agree otherwise. A judgment upon any award rendered by the Arbitrator may be entered in any court having jurisdiction. You, the Company, any other Covered Party that is a party to the arbitration, legal counsel and the Arbitrator shall treat all arbitration proceedings, including any decision, award and opinion in support thereof, as confidential, and the Arbitrator shall issue such orders as are reasonably necessary to maintain such confidentiality. You will be obligated to pay the then-current Superior Court of Washington filing fee towards the costs of the arbitration and shall not be required to pay any cost or expense of the arbitration that you would not be required to pay if the matter had been heard in a court. The Company shall bear all other costs unique to arbitration in compliance with applicable law.

4. Claims Not Covered By This Arbitration Agreement. This Arbitration Agreement does not apply to or cover the following claims related to your investment in the Company: (a) claims brought in a court of competent jurisdiction to compel arbitration under this Arbitration Agreement, to enforce or vacate an arbitration award, or to obtain preliminary, injunctive and/or other equitable relief in support of claims to be prosecuted in an arbitration by any party; (b) any claim by the Company or other Covered Person seeking to enforce or protect, or concerning the validity of, any of their respective intellectual property rights; and (c) any other claim not properly arbitrable under the law or otherwise prohibited by law from being arbitrated.

5. Survival of Provisions. This Arbitration Agreement shall continue in effect after your investment in the Company is consummated and shall apply to any arbitrable claim whether it arises or is asserted before, during or after any period in which you hold the Company’s securities. You and the Company agree that this Arbitration Agreement can be modified or revoked only by a writing signed by you, the Company, and each other Covered Party against which or whom an arbitrable claim may be asserted hereunder, which specifically states that you, the Company, and such Covered Parties intend to modify or revoke this Arbitration Agreement.

6. Severability. If any one or more provisions of this Arbitration Agreement is found, for any reason, invalid, voidable or unenforceable, in whole or in part, with respect to any claim or class of claims, the finding shall in no way affect any other provision of this Arbitration Agreement or the validity or enforcement of the remainder of this Arbitration Agreement, and

any provision thus affected shall itself be modified only to the extent necessary to bring the provision within the applicable requirements of the law.

7. Third-Party Beneficiaries. The parties expressly acknowledge, agree and confirm that each and every Covered Party is an express third-party beneficiary of this Arbitration Agreement, and each such Covered Party shall have and possess all rights and remedies hereunder as if each such Covered Party were an original party hereto.

8. Electronic Execution and Delivery. A digital reproduction, portable document format (".pdf") or other reproduction of this Arbitration Agreement may be executed by one or more parties hereto and delivered by such party by electronic signature (including signature via *DocuSign* or similar services), electronic mail or any similar electronic transmission device pursuant to which the signature of or on behalf of such party can be seen. Such execution and delivery shall be considered valid, binding and effective for all purposes.

9. Sole and Entire Agreement. The parties acknowledge that this Arbitration Agreement constitutes the complete agreement of the parties on the subject matter contained herein, and supersedes any prior or contemporaneous oral or written agreement or understanding on the subject matter contained herein.

10. Consideration. The parties agree that there is good and valuable consideration for the execution of this Arbitration Agreement, including, but not limited to, the requirement that the agreement to arbitrate all claims is mutual between the parties, and other good and valuable consideration.

2. Significant Holder Right of First Refusal.

(a) **Right of First Refusal.** The Company hereby grants to each Significant Holder the right of first refusal to purchase up to such Significant Holder’s pro rata portion of New Securities (defined below) which the Company may, from time to time, propose to sell and issue after the date of this Agreement. A Significant Holder’s pro rata portion, for purposes of this right of first refusal, is equal to the ratio of (i) the number of shares of Common Stock owned by such Significant Holder immediately prior to the issuance of New Securities (assuming full conversion of the Shares and exercise and/or conversion of all outstanding convertible securities, rights, options and warrants, directly or indirectly, into Common Stock held by such Significant Holder) to (ii) the total number of shares of Common Stock outstanding immediately prior to the issuance of New Securities (assuming full conversion of the Shares and exercise and/or conversion of all outstanding convertible securities, rights, options and warrants, directly or indirectly, into Common Stock).

(b) Definition of New Securities. For the purposes hereof, “**New Securities**” means any capital stock (including Common Stock or preferred stock) of the Company whether now authorized or not, and rights, convertible securities, options or warrants to purchase such capital stock, and securities of any type whatsoever that are, or may become, exercisable or convertible into capital stock; *provided* that the term “**New Securities**” does not include:

- (i)** the Shares and the Conversion Shares;
- (ii)** securities issued or issuable to officers, employees, directors, consultants, placement agents, and other service providers of the Company (or any subsidiary) pursuant to stock grants, option plans, purchase plans, agreements or other employee stock incentive programs or arrangements approved by the Board;
- (iii)** securities issued pursuant to the conversion and/or exercise of warrants or any other convertible or exercisable securities outstanding as of this date of this Agreement;
- (iv)** securities issued or issuable as a dividend or distribution on shares of preferred stock of the Company or pursuant to any event for which adjustment is made pursuant to Sections 4(d), 4(e) or 4(f) of Article V of the Restated Certificate (or any successor provisions);
- (v)** securities offered pursuant to a bona fide, underwritten public offering pursuant to a registration statement filed under the Securities Act;
- (vi)** securities issued or issuable pursuant to the acquisition of another entity by the Company by merger, purchase of substantially all of the assets or other reorganization or to a joint venture agreement, *provided*, that such issuances are approved by the Board;
- (vii)** securities issued or issuable to banks, equipment lessors or other financial institutions pursuant to a commercial leasing or debt financing transaction approved by the Board;
- (viii)** securities issued or issuable in connection with sponsored research, collaboration, technology license, development, OEM, marketing or other similar agreements or strategic partnerships approved by the Board; and
- (ix)** any right, option or warrant to acquire any security convertible into the securities excluded from the definition of New Securities pursuant to clauses (i) through (viii) of this Section 2(b).

(c) Exercise of Right of First Refusal. In the event the Company proposes to undertake an issuance of New Securities, it shall give each Significant Holder and FlashFundrs written notice (which may be via electronic mail or other electronic means of transmission) of such intention, describing the type of New Securities, the purchase price of the New Securities, the other general terms upon which the Company proposes to issue the New Securities and, for Significant Holders, such Significant Holder’s pro rata portion of such New

Securities (the “**Company Notice**”). Each Significant Holder shall have ten (10) calendar days after the date the Company Notice is delivered to such Significant Holder (the “**Significant Holder Exercise Period**”) to exercise its right of first refusal by delivering written notice thereof to the Company (which may be via email or other electronic means, at the discretion of the Company) (the “**Significant Holder Notice**”). The Significant Holder Notice shall set forth the quantity of New Securities to be purchased by such Significant Holder (which shall not exceed such Significant Holder’s pro rata portion of the New Securities set forth in the Company Notice). At the expiration of the Significant Holder Exercise Period, the Company shall promptly notify FlashFunders of any Significant Holder’s failure to elect to purchase all such Significant Holder’s pro rata portion of such New Securities (the “**FlashFunders Notice**”). FlashFunders shall have ten (10) calendar days after the date the FlashFunders Notice is delivered to FlashFunders (the “**FlashFunders Exercise Period**”) to elect to purchase all or any portion of the New Securities for which the Significant Holders were entitled to subscribe but that were not subscribed for by the Significant Holders. FlashFunders shall exercise this purchase right by delivering written notice thereof to the Company (which may be via email or other electronic means, at the discretion of the Company) during the FlashFunders Exercise Period. Such notice shall set forth the quantity of New Securities to be purchased by FlashFunders. FlashFunder’s rights under this Section 2 shall be freely assignable by FlashFunders, in whole or in part.

(d) **Sale of New Securities.** In the event the Significant Holders and FlashFunders fail to exercise fully the right of first refusal within the Significant Holder Exercise Period and FlashFunders Exercise Period, as applicable, the Company shall have one hundred twenty (120) days after the expiration of the FlashFunders Exercise Period to sell the New Securities with respect to which the Significant Holders’ and FlashFunders’ right of first refusal options set forth in this Section 2 were not exercised, at a price and upon terms no more favorable to the purchasers thereof than specified in the Company Notice. Any New Securities offered or sold by the Company after such one hundred twenty (120) period must be reoffered to the Significant Holders and FlashFunders pursuant to this Section 2.

(e) **Termination of the Right of First Refusal.** The right of first refusal granted under this Section 2 shall expire upon the first to occur of (and shall not be applicable to the events set forth in clauses (i) or (ii) of this Section 2(e)): (i) a Liquidation Event, (ii) the Initial Public Offering, and (iii) five years after the date of this Agreement. In addition, the right of first refusal set forth in this Section 2 shall terminate with respect to any Significant Holder who fails to purchase, in any transaction subject to this Section 2, all of such Significant Holder’s pro rata portion of the New Securities allocated to such Significant Holder pursuant to this Section 2 (and following any such termination, such Significant Holder shall no longer be deemed a “Significant Holder” for any purpose of this Section 2); *provided, however*, that the Company may waive (in its sole discretion) the termination provisions of this sentence with respect to any particular issuance or issuances of New Securities.

3. **Company Covenants.** The Company hereby covenants and agrees, as follows:

(a) **Basic Financial Information.** Provided that the Company has prepared financial statements, the Company will, upon request of a Significant Holder, make available to such Significant Holder after the end of each fiscal year of the Company, an unaudited balance

sheet of the Company as at the end of such fiscal year, and unaudited statements of income and cash flows of the Company for such year, prepared in accordance with U.S. generally accepted accounting principles consistently applied. The covenants set forth in this Section 3(a) shall terminate and be of no further force and effect upon the earlier of (i) the closing of the Initial Public Offering and (ii) a Liquidation Event.

(b) **Confidentiality.** Notwithstanding anything herein to the contrary, no Investor by reason of this Agreement shall have any to access or view any trade secrets or confidential information of the Company. The Company shall not be required to comply with any information rights in respect of any Significant Holder whom the Company reasonably determines to be a director competitor or an officer, employee, director or holder of more than five percent (5%) of a direct competitor. Each Significant Holder acknowledges that (i) the information received by such Investor pursuant to this Agreement is presumed to be confidential and shall be used only by such Investor for the sole purpose of managing such Investor's investment in the Company, and (ii) such Investor will not reproduce, disclose or disseminate such information to any other person or entity (other than such Investor's employees or agents, if any, having a need to know the contents of such information, and such Investor's attorneys).

4. Restrictions on Transfer; Company Right of First Refusal; Drag-Along Right.

(a) Restrictions on Transfer.

(i) **Restrictions on Transfer.** No Investor shall Transfer all or any portion of the Securities unless all of the following are satisfied: (A) such Transfer occurs after the one year anniversary of the date that such Investor purchased Shares under such Investor's Purchase Agreement, except for Transfers permitted under Sections 4(a)(ii), (B) such Investor has complied with the provisions of Sections 4(b), except for Transfers permitted under Sections 4(a)(ii); (C) the transferee thereof has agreed in writing for the benefit of the Company to take and hold such Securities subject to, and to be bound by, the terms and conditions set forth in this Agreement, including, without limitation, this Section 4(a) and Sections 4(b), 4(d), 4(e) and 5(b); (D) such Investor shall have given prior written notice (which may be via email or other electronic means, at the discretion of the Company) to the Company of such Investor's intention to make such Transfer and shall have furnished the Company with a detailed description of the manner and circumstances of the proposed Transfer, and, if requested by the Company, such Investor shall have furnished the Company, at its expense, with an opinion of counsel, reasonably satisfactory to the Company; and (E) such Investor and transferee have complied with any other transfer procedures as may be required by the Company's transfer agent.

(ii) Permitted Transfers.

(A) **Generally.** The provisions of Sections 4(a)(i)(A) and 4(b) shall not apply to: (I) Transfers to the Company; (II) Transfers approved by the Company to persons or entities that are confirmed as "accredited investors" (as defined in Rule 501 promulgated under the Securities Act) by the Company; (III) Transfers as part of an offering registered with the Commission; or (IV) a Transfer without consideration to such Investor's

Family Members, to a Trust controlled by such Investor or to a trust created for the benefit of such Investor or such Investor's Family Members.

(B) FlashSeed Preferred Permitted Transfers. In addition to the Transfers set forth in Section 4(a)(ii)(A), the provisions of Sections 4(a)(i)(A) and 4(b) shall not apply to the following Transfers of FlashSeed Preferred: (I) a Transfer not involving a change in beneficial ownership; or (II) a Transfer by any FlashSeed Investor to (1) a parent, subsidiary or other affiliate of such FlashSeed Investor or (2) any of its partners, members or other equity owners, or retired partners, retired members or other equity owners, or to the estate of any of its partners, members or other equity owners or retired partners, retired members or other equity owners.

(iii) Effect of Failure to Comply. Any Transfer not made in compliance with this Agreement shall be null and void ab initio, shall not be recorded on the books of the Company or its transfer agent and shall not be recognized by the Company. If any Investor becomes obligated to sell any Securities to the Company pursuant to Section 4(b) and fails to deliver such Securities in accordance with Section 4(b), the Company may, at its option, in addition to all other remedies it may have, send to such Investor the purchase price for such Securities as specified in the Transfer Notice (defined below) and transfer to the name of the Company on the Company's books any certificates, instruments, or book entry representing the Securities to be sold.

(iv) Legends. Each certificate (if any) or book-entry notation representing the Securities shall bear the following legend:

THESE SECURITIES HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "ACT"), OR UNDER THE SECURITIES LAWS OF CERTAIN STATES. THESE SECURITIES MAY NOT BE OFFERED, SOLD OR OTHERWISE TRANSFERRED, PLEDGED OR HYPOTHECATED EXCEPT AS PERMITTED UNDER THE ACT AND APPLICABLE STATE SECURITIES LAWS PURSUANT TO REGISTRATION OR AN EXEMPTION THEREFROM. THE ISSUER OF THESE SECURITIES MAY REQUIRE AN OPINION OF COUNSEL REASONABLY SATISFACTORY TO THE ISSUER THAT SUCH OFFER, SALE OR TRANSFER, PLEDGE OR HYPOTHECATION OTHERWISE COMPLIES WITH THE ACT AND ANY APPLICABLE STATE SECURITIES LAWS.

THE SECURITIES ARE SUBJECT TO RESTRICTIONS ON TRANSFERABILITY AND RESALE, INCLUDING A LOCK-UP PERIOD IN THE EVENT OF A PUBLIC OFFERING, AS SET FORTH IN AN INVESTORS' RIGHTS AGREEMENT, A COPY OF WHICH MAY BE OBTAINED AT THE PRINCIPAL OFFICE OF THE ISSUER OF THESE SECURITIES.

(b) Company's Right of First Refusal.

(i) **Right of First Refusal.** In the event that an Investor proposes to Transfer any Securities to any person, entity or organization (the “**Transferee**”), the Company shall have the right of first refusal set forth in this Section 4(b) with respect to such Securities (the “**Right of First Refusal**”). If an Investor desires to Transfer any Securities, such Investor shall deliver written notice thereof (“**Transfer Notice**”) (which may be via email or other electronic means, at the discretion of the Company) to the Company describing fully the proposed Transfer, including the number of Securities proposed to be Transferred (the “**Offered Securities**”), the proposed transfer price, the name and address of the proposed Transferee and proof satisfactory to the Company that the proposed Transfer will not violate any applicable federal or state securities laws. The Transfer Notice shall constitute a binding commitment of such Investor to the Transfer of the Offered Securities. The Company shall have the right to purchase all, but not less than all, of the Offered Securities on the terms described in the Transfer Notice by delivery to such Investor of a notice of exercise of the Right of First Refusal within thirty (30) days after the date when the Transfer Notice was delivered to the Company. The Company’s rights under this Section 4(b) shall be freely assignable by the Company, in whole or in part.

(ii) **Exceptions to the Right of First Refusal.** The Right of First Refusal shall not apply to Transfers described in Section 4(a)(ii).

(iii) **Termination of the Right of First Refusal.** The Right of First Refusal shall expire upon the first to occur of (and shall not be applicable to): (A) a Liquidation Event and (B) the Initial Public Offering.

(c) **Rule 144 Reporting.** With a view to making available the benefits of certain rules and regulations of the Commission that may permit the sale of the Securities to the public without registration, the Company agrees to use its commercially reasonable efforts to:

(i) make and keep public information regarding the Company available as those terms are understood and defined in Rule 144, at all times from and after ninety (90) days following the effective date of the first registration under the Securities Act filed by the Company for an offering of its securities to the general public;

(ii) file with the Commission in a timely manner all reports and other documents required of the Company under the Securities Act and the Exchange Act at any time after it has become subject to such reporting requirements; and

(iii) so long as any Investor owns any Securities, furnish to such Investor upon written request therefor a written statement by the Company as to its compliance with the reporting requirements of Rule 144 (at any time from and after ninety (90) days following the effective date of the first registration statement filed by the Company for an offering of its securities to the general public), and of the Securities Act and the Exchange Act (at any time after it has become subject to such reporting requirements), a copy of the most recent annual or quarterly report of the Company, and such other reports and documents so filed as such Investor may reasonably request in availing itself of any rule or regulation of the Commission allowing such Investor to sell any such Securities without registration.

(d) **Market Stand-Off Agreement.** Each Investor hereby agrees that such Investor shall not Transfer, make any short sale of, grant any option for the purchase of, or enter into any hedging or similar transaction with the same economic effect as a sale, of any shares of capital stock of the Company now or hereafter directly or indirectly owned of record or beneficially held by such Investor (collectively, the “**Holder Shares**”) (other than those included in the registration described below) during the one hundred eighty (180) day period following the effective date of a registration statement of the Company filed under the Securities Act (or such other period as may be requested by the Company or an underwriter to accommodate regulatory restrictions on (i) the publication or other distribution of research reports and (ii) analyst recommendations and opinions), provided that: all officers and directors of the Company and holders of at least five percent (5%) of the Company’s voting securities are bound by and have entered into similar agreements. The obligations described in this Section 4(d) shall not apply to a registration relating solely to employee benefit plans on Form S-1 or Form S-8 under the Securities Act or similar forms that may be promulgated in the future, or a registration relating solely to a transaction on Form S-4 under the Securities Act or similar forms that may be promulgated in the future. The Company may impose stop-transfer instructions with respect to the securities of the Company subject to the foregoing restrictions until the end of such one hundred eighty (180) day (or other) period. Each Investor agrees to execute a market standoff agreement with said underwriters in customary form consistent with the provisions of this Section 4(d).

(e) **Drag-Along Right.**

(i) **Drag Along Right.** In the event that the Board and the holders of a majority of the shares of voting capital stock of the Company (voting together on an as-converted to Common Stock basis), approve a Liquidation Event or Qualified Equity Financing, then each Investor hereby agrees to vote (in person, by proxy or by action by written consent, as applicable) all of such Investor’s Holder Shares in favor of, and adopt, such Liquidation Event or Qualified Equity Financing and to execute and deliver all related documentation and take such other action in support of the Liquidation Event or Qualified Equity Financing as shall reasonably be requested by the Company in order to carry out the terms and provision of this Section 4(e), including, in the case of a Liquidation Event, executing and delivering instruments of conveyance and transfer, and any purchase agreement, merger agreement, indemnity agreement, escrow agreement, consent, waiver, governmental filing, share certificates (if any) duly endorsed for transfer (free and clear of impermissible liens, claims and encumbrances) and any similar or related documents. The obligation of any Investor to take the actions required by this Section 4(e) shall not apply to a Liquidation Event where the acquirer involved in such Liquidation Event is an affiliate or stockholder of the Company holding more than ten percent (10%) of the voting power of the Company.

(ii) **Exceptions to Drag-Along Right.** Notwithstanding the foregoing, no Investor will be required to comply with Section 4(e)(i) in connection with any proposed Liquidation Event (the “**Proposed Sale**”) unless:

(A) such Proposed Sale would result in proceeds to the holders of Shares equal to at least three (3) times the Flash CF Preferred Original Issue Price (calculated on a per Share basis) or the Proposed Sale is otherwise approved by the holders of a majority of

the then outstanding Shares (voting together as a single class on an as-converted to Common Stock basis);

(B) any representations and warranties to be made by such Investor in connection with the Proposed Sale are limited to representations and warranties related to authority, ownership and the ability to convey title to the Holder Shares of such Investor, including, without limitation, representations and warranties that (I) such Investor holds all right, title and interest in and to the Holder Shares such Investor purports to hold, free and clear of all liens and encumbrances, (II) the obligations of such Investor in connection with the Proposed Sale have been duly authorized, if applicable, (III) the documents to be entered into by such Investor have been duly executed by such Investor and delivered to the acquirer and are enforceable against such Investor in accordance with their respective terms and (IV) neither the execution and delivery of documents to be entered into in connection with the transaction, nor the performance of the such Investor's obligations thereunder, will cause a breach or violation of the terms of any agreement, law or judgment, order or decree of any court or governmental agency;

(C) such Investor shall not be liable for the inaccuracy of any representation or warranty made by any other person or entity in connection with the Proposed Sale, other than the Company (except to the extent that funds may be paid out of an escrow established to cover breach of representations, warranties and covenants of the Company as well as breach by any stockholder of any of identical representations, warranties and covenants provided by all stockholders);

(D) the liability for indemnification, if any, of such Investor in the Proposed Sale and for the inaccuracy of any representations and warranties made by the Company or its stockholders in connection with such Proposed Sale, is several and not joint with any other person or entity (except to the extent that funds may be paid out of an escrow established to cover breach of representations, warranties and covenants of the Company as well as breach by any stockholder of any of identical representations, warranties and covenants provided by all stockholders), and except as required to satisfy the liquidation preferences of the Shares, if any, is pro rata in proportion to, and does not exceed, the amount of consideration paid to such Investor in connection with such Proposed Sale;

(E) liability shall be limited to such Investor's applicable share (determined based on the respective proceeds payable to each Investor in connection with such Proposed Sale in accordance with the provisions of the Restated Certificate) of a negotiated aggregate indemnification amount that applies equally to all Investors but that in no event exceeds the amount of consideration otherwise payable to such Investor in connection with such Proposed Sale, except with respect to claims related to fraud by such Investor, the liability for which need not be limited as to such Investor; and

(F) upon the consummation of the Proposed Sale, (I) each holder of each class or series of the Company's stock will receive the same form of consideration for their shares of such class or series as is received by other holders in respect of their shares of such same class or series of stock, (II) each FlashSeed Investor will receive the same amount of consideration per share of FlashSeed Preferred as is received by other FlashSeed Investors in

respect of their shares of FlashSeed Preferred, (III) each Flash CF Investor will receive the same amount of consideration per share of Flash CF Preferred as is received by other Flash CF Investors in respect of their shares of Flash CF Preferred, (IV) each holder of Common Stock will receive the same amount of consideration per share of Common Stock as is received by other holders in respect of their shares of Common Stock, and (V) unless the holders of at least a majority of the Shares (voting as a single class on an as-converted to Common Stock basis) elect to receive a lesser amount, the aggregate consideration receivable by all holders of the preferred stock of the Company and Common Stock shall be allocated among the holders of preferred stock of the Company and Common Stock on the basis of the relative liquidation preferences to which the holders of each respective series of preferred stock of the Company and the holders of Common Stock are entitled in a deemed liquidation, dissolution or winding up of the Company in accordance with the Restated Certificate in effect immediately prior to the Proposed Sale.

5. Remedies.

(a) Covenants of the Company. The Company agrees to use its best efforts, within the requirements of applicable law, to ensure that the rights granted under this Agreement are effective and that the Investors enjoy the benefits of this Agreement.

Each Investor hereby constitutes and appoints as the proxy of such Investor and hereby grants a power of attorney to the President of the Company with full power of substitution, with respect to the matters set forth herein, including, without limitation, Sections 4(e) and 6(m), and hereby authorizes the President of the Company to represent and vote, if and only if such Investor (i) fails to vote or (ii) attempts to vote (whether by proxy, in person or by written consent), in a manner which is inconsistent with the terms of this Agreement, all of such Investor's Holder Shares in favor of the matters set forth herein, including, without limitation, Sections 4(e) and 6(m), or to take any action necessary to effect the matters set forth in this Agreement. Each of the proxy and power of attorney granted pursuant to the immediately preceding sentence is given in consideration of the agreements and covenants of the Company and the Investors in connection with the transactions contemplated by this Agreement and, as such, each is coupled with an interest and shall be irrevocable unless and until this Agreement terminates pursuant to Section 6(l). Each Investor hereby revokes any and all previous proxies or powers of attorney with respect to the Holder Shares and shall not hereafter, unless and until this Agreement terminates pursuant to Section 6(l), purport to grant any other proxy or power of attorney with respect to any of the Holder Shares, deposit any of the Holder Shares into a voting trust or enter into any agreement (other than this Agreement), arrangement or understanding with any person, directly or indirectly, to vote, grant any proxy or give instructions with respect to the voting of any of the Holder Shares, in each case, with respect to any of the matters set forth herein.

(c) Specific Enforcement. Each party hereto acknowledges and agrees that each other party hereto will be irreparably damaged in the event any of the provisions of this Agreement are not performed by the applicable parties in accordance with their specific terms or are otherwise breached. Accordingly, it is agreed that each of the Company and the Investors shall be entitled to an injunction to prevent breaches of this Agreement, and to specific enforcement of this Agreement and its terms and provisions in any action instituted in any court of the United States or any state having subject matter jurisdiction.

(d) **Remedies Cumulative.** All remedies, either under this Agreement or by law or otherwise afforded to any party, shall be cumulative and not alternative.

6. Miscellaneous.

(a) **Amendment.** Except as expressly provided herein, neither this Agreement nor any term hereof may be amended, waived, discharged or terminated other than by a written instrument referencing this Agreement and signed by (i) the Company, (ii) the FlashSeed Investors (if any) holding a majority of the Common Stock issued or issuable upon conversion of the shares of FlashSeed Preferred issued pursuant to the Purchase Agreements (excluding any of such shares that have been sold to the public or pursuant to Rule 144), and (iii) the Flash CF Investors (if any) holding a majority of the Common Stock issued or issuable upon conversion of the shares of Flash CF Preferred issued pursuant to the Purchase Agreements (excluding any of such shares that have been sold to the public or pursuant to Rule 144) (the Investors referenced in clauses (ii) and (iii) of this Section 6(a), collectively, the “**Majority Holders**”); *provided, however*, (1) that persons or entities acquiring shares of FlashSeed Preferred after the Initial Closing (as defined in the FlashSeed Purchase Agreements) may become parties to this Agreement, by executing a counterpart of this Agreement without any amendment of this Agreement pursuant to this Section 6(a) or any consent or approval of any other Investor and (2) the consent of the Flash CF Investors shall not be required for any amendment, waiver, discharge or termination if such amendment, waiver, discharge or termination does not apply to the Flash CF Investors. Notwithstanding the foregoing, Sections 2 (except as set forth in Section 2(e)) and 4(a)(ii)(A)(II) may not be amended, waived, discharged or terminated without the written consent of FlashFunders. Any such amendment, waiver, discharge or termination effected in accordance with this Section 6(a) shall be binding upon each Investor and each future holder of all such securities of Investor. Each Investor acknowledges that by the operation of this Section 6(a), the Majority Holders will have the right and power to diminish or eliminate all rights of such Investor under this Agreement.

Any waiver, permit, consent or approval of any kind or character on the part of any party of any breach or default under this Agreement, or any waiver on the part of any party of any provisions or conditions of this Agreement, must be in writing and shall be effective only to the extent specifically set forth in such writing.

The Investor further acknowledges and agrees that if an ACH attempt is unsuccessful for any reason, FundAmerica will make such return payment by wire.

Upon any decrease or increase in the FlashSeed Preferred Conversion Price, as described in Section 4, the FlashSeed Preferred Conversion Rate shall be appropriately increased or decreased.

(l) **“FlashSeed Preferred Original Issue Price”** shall mean \$0.4187 per share of FlashSeed Preferred (subject to adjustment from time to time as set forth elsewhere herein).

(m) **“Liquidation Event”** means any of the following: (i) the acquisition of the Corporation by another entity by means of any transaction or series of related transactions to which the Corporation is party (including, without limitation, any stock acquisition, reorganization, merger or consolidation but excluding any sale of stock for capital-raising purposes) other than a transaction or series of related transactions in which the holders of the voting securities of the Corporation outstanding immediately prior to such transaction or series of related transactions retain, immediately after such transaction or series of related transactions, as a result of shares in the Corporation held by such holders prior to such transaction or series of related transactions, a majority of the total voting power represented by the outstanding voting securities of the Corporation or such other surviving or resulting entity (or if the Corporation or such other surviving or resulting entity is a wholly-owned subsidiary immediately following such acquisition, its parent); (ii) a sale, lease or other disposition of all or substantially all of the assets of the Corporation and its subsidiaries taken as a whole by means of any transaction or series of related transactions, except where such sale, lease or other disposition is to a wholly owned subsidiary of the Corporation; or (iii) any liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary. The treatment of any transaction or series of related transactions as a Liquidation Event pursuant to clauses (i) or (ii) of this Section 1(m) may be waived with respect to any series of Preferred Stock by the affirmative written consent or vote of the holders of a majority of the shares of such series of Preferred Stock then outstanding.

(n) **“Liquidation Preference”** shall mean the applicable Original Issue Price plus any declared and unpaid dividends on such shares.

(o) **“Original Issue Price”** shall mean the FlashSeed Preferred Original Issue Price or the Flash CF Preferred Original Issue Price, as applicable.

(p) **“Preferred Stock”** shall mean, collectively, the FlashSeed Preferred and Flash CF Preferred.

2. Dividend Rights. In the event that dividends are paid on any share of Common Stock (other than dividends on Common Stock payable in additional shares of Common Stock), the Company shall pay a dividend on all outstanding shares of Preferred Stock in a per share amount equal (on an as-converted to Common Stock basis) to the amount paid or set aside for each share of Common Stock.

3. Liquidation Rights

(a) Liquidation Preference. In the event of any Liquidation Event, the holders of Preferred Stock then outstanding shall be entitled to receive, prior and in preference to any Distribution of any of the assets of the Corporation to the holders of Common Stock by reason of their ownership of such stock, an amount per share equal to the greater of (i) the applicable Liquidation Preference for such series of Preferred Stock and (ii) such amount per share as would have been payable had all shares of Preferred Stock been converted into Common Stock pursuant to Section 4 immediately prior to such Liquidation Event (the amount payable pursuant to this sentence is hereinafter referred to as the “**Liquidation Preference Amount**”). If upon a Liquidation Event, the assets of the Corporation legally available for distribution to the holders of Preferred Stock are insufficient to permit the payment to such holders of the full amounts specified in this Section 3(a), then the entire assets of the Corporation legally available for distribution shall be distributed with equal priority and *pro rata* among the holders of Preferred Stock in proportion to the full amounts they would otherwise be entitled to receive pursuant to this Section 3(a).

(b) Remaining Assets. In the event of any Liquidation Event, after the payment or setting aside for payment to the holders of Preferred Stock of the full Liquidation Preference Amount, the entire remaining assets of the Corporation legally available for distribution shall be distributed *pro rata* to holders of Common Stock in proportion to the number of shares of Common Stock held by them.

(c) Valuation of Non-Cash Consideration. If any assets of the Corporation distributed to stockholders in connection with any Liquidation Event are other than cash, then the value of such assets shall be their fair market value as determined in good faith by the Board.

4. Conversion. The holders of Preferred Stock shall have conversion rights as follows:

(a) Right to Convert. Each share of FlashSeed Preferred shall be convertible, at the option of the holder thereof, at any time after the date of issuance of such share at the office of the Corporation or any transfer agent for the FlashSeed Preferred, into fully paid nonassessable shares of Common Stock at the then-effective FlashSeed Preferred Conversion Rate. The Flash CF Preferred shall have no optional conversion rights pursuant to this Section 4(a) or otherwise.

(b) Automatic Conversion. Each share of Preferred Stock shall automatically be converted into fully paid, non-assessable shares of Common Stock at the then-effective Conversion Rate for such share (i) immediately prior to the closing of a firm commitment underwritten initial public offering pursuant to an effective registration statement filed under the Securities Act of 1933, as amended, covering the offer and sale of Common Stock or (ii) upon

the receipt by the Corporation of a written request or election for such conversion from the holders of a majority of the Preferred Stock then outstanding (voting together as a single class on an as-converted to Common Stock basis), or, if later, the effective date for conversion specified in such request. Each of the events referred to in Section 4(b) is referred to herein as an “**Automatic Conversion Event**”.

(c) Mechanics of Conversion. No fractional shares of Common Stock shall be issued upon conversion of Preferred Stock. In lieu of any fractional shares to which the holder would otherwise be entitled, the Corporation shall pay cash equal to such fraction multiplied by the then-fair market value of a share of Common Stock as determined by the Board. Whether or not fractional shares would be issuable upon such conversion shall be determined on the basis of the total number of shares of Preferred Stock that the holder is holding and converting into Common Stock at the time of such conversion and the aggregate number of shares of Common Stock issuable upon such conversion. Before any holder of certificated Preferred Stock (if any) shall be entitled to convert the same into full shares of Common Stock, such holder shall either (i) surrender the certificate or certificates therefor, duly endorsed, at the office of the Corporation or of any transfer agent for the Preferred Stock or (ii) notify the Corporation or its transfer agent that such certificates have been lost, stolen or destroyed and execute an agreement satisfactory to the Corporation to indemnify the Corporation from any loss incurred by it in connection with such certificates, and shall give written notice to the Corporation at such office that such holder elects to convert the same; *provided, however*, that on the date of an Automatic Conversion Event, such outstanding shares of Preferred Stock shall be converted automatically without any further action by the holders of such shares and whether or not the certificates representing such shares are surrendered to the Corporation or its transfer agent; *provided further, however*, that the Corporation shall not be obligated to issue certificates evidencing the shares of Common Stock issuable upon such Automatic Conversion Event (if such shares are certificated), unless either the certificates evidencing such shares of Preferred Stock are delivered to the Corporation or its transfer agent as provided above, or the holder notifies the Corporation or its transfer agent that such certificates have been lost, stolen or destroyed and executes an agreement satisfactory to the Corporation to indemnify the Corporation from any loss incurred by it in connection with such certificates. On the date of the occurrence of an Automatic Conversion Event, each holder of record of shares of Preferred Stock shall be deemed to be the holder of record of the Common Stock issuable upon such conversion, notwithstanding that the certificates representing such shares of Preferred Stock (if such shares are certificated) shall not have been surrendered at the office of the Corporation, that notice from the Corporation shall not have been received by any holder of record of shares of Preferred Stock, or that the certificates evidencing such shares of Common Stock (if such shares are certificated) shall not then be actually delivered to such holder.

(d) Adjustments for Subdivisions or Combinations of Common Stock. In the event the outstanding shares of Common Stock shall be subdivided (by stock split, by payment of a stock dividend or otherwise) into a greater number of shares of Common Stock, the Conversion Price of the Preferred Stock in effect immediately prior to such subdivision shall, concurrently with the effectiveness of such subdivision, be proportionately decreased. In the event the outstanding shares of Common Stock shall be combined (by reclassification or otherwise) into a lesser number of shares of Common Stock, the Conversion Price of the

Preferred Stock in effect immediately prior to such combination shall, concurrently with the effectiveness of such combination, be proportionately increased.

(e) Adjustments for Subdivisions or Combinations of Preferred Stock. In the event the outstanding shares of any series of Preferred Stock shall be subdivided (by stock split, by payment of a stock dividend or otherwise), into a greater number of shares of such series of Preferred Stock, the Original Issue Price of such series of Preferred Stock in effect immediately prior to such subdivision shall, concurrently with the effectiveness of such subdivision, be proportionately decreased. In the event the outstanding shares of any series of Preferred Stock shall be combined (by reclassification or otherwise) into a lesser number of shares of such series of Preferred Stock, the Original Issue Price of such series of Preferred Stock in effect immediately prior to such combination shall, concurrently with the effectiveness of such combination, be proportionately increased.

(f) Adjustments for Reclassification, Exchange and Substitution. Subject to Section 3 above, if the Common Stock issuable upon conversion of the Preferred Stock shall be changed into the same or a different number of shares of any other class or classes of stock, whether by capital reorganization, reclassification or otherwise (other than a subdivision or combination of shares provided for above), then, in any such event, in lieu of the number of shares of Common Stock which the holders of Preferred Stock would otherwise have been entitled to receive, each holder of Preferred Stock shall have the right thereafter to convert such shares of Preferred Stock into a number of shares of such other class or classes of stock which a holder of the number of shares of Common Stock deliverable upon conversion of such Preferred Stock immediately before that change would have been entitled to receive in such reorganization or reclassification, all subject to further adjustment as provided herein with respect to such other shares.

(g) Notice of Adjustments. Upon the occurrence of each adjustment or readjustment of the Conversion Price pursuant to this Section 4, the Corporation or its transfer agent, at the Corporation's expense, shall promptly compute such adjustment or readjustment in accordance with the terms hereof and provide notice to each holder of Preferred Stock setting forth such adjustment or readjustment and showing in detail the facts upon which such adjustment or readjustment is based. Any such notice may be given by electronic communication in accordance with Section 8.

(h) Notices of Record Date. In the event that the Corporation shall propose at any time:

(i) to declare any Distribution upon its Common Stock, whether in cash, property, stock or other securities, whether or not a regular cash dividend and whether or not out of earnings or earned surplus;

(ii) to effect any reclassification or recapitalization of its Common Stock outstanding involving a change in the Common Stock; or

(iii) to voluntarily liquidate or dissolve or to enter into any transaction deemed to be a Liquidation Event;

then, in connection with each such event, the Corporation shall send to the holders of the FlashSeed Preferred at least 10 days' prior written notice of the date on which a record shall be taken for such Distribution (and specifying the date on which the holders of Common Stock shall be entitled thereto and, if applicable, the amount and character of such Distribution) or for determining rights to vote in respect of the matters referred to in clauses (ii) and (iii) of this Section 4(h).

(i) Reservation of Stock Issuable Upon Conversion. The Corporation shall at all times reserve and keep available out of its authorized but unissued shares of Common Stock solely for the purpose of effecting the conversion of the shares of Preferred Stock, such number of its shares of Common Stock as shall from time to time be sufficient to effect the conversion of all then outstanding shares of Preferred Stock; and if at any time the number of authorized but unissued shares of Common Stock shall not be sufficient to effect the conversion of all then outstanding shares of Preferred Stock, the Corporation will take such corporate action as may, in the opinion of its counsel, be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as shall be sufficient for such purpose.

5. Voting

(a) General. Except as otherwise expressly provided herein or as required by law, the holders of FlashSeed Preferred, the holders of Common Stock, and, subject to Section 5(c), the holders of Flash CF Preferred shall vote together and not as separate classes.

(b) FlashSeed Preferred. Each holder of FlashSeed Preferred shall be entitled to the number of votes equal to the number of shares of Common Stock into which the shares of FlashSeed Preferred held by such holder could be converted as of the record date. The holders of shares of FlashSeed Preferred shall be entitled to vote on all matters on which the Common Stock shall be entitled to vote. Holders of FlashSeed Preferred shall be entitled to notice of any stockholders' meeting in accordance with the Bylaws of the Corporation. Fractional votes shall not, however, be permitted and any fractional voting rights resulting from the above formula (after aggregating all shares into which shares of FlashSeed Preferred held by each holder could be converted) shall be disregarded.

(c) Flash CF Preferred. Except as otherwise expressly provided herein or as required by the General Corporation Law, the Flash CF Preferred shall have no voting rights.

(d) Common Stock. Each holder of shares of Common Stock shall be entitled to one vote for each share thereof held; *provided, however*, that, except as otherwise required by law, holders of Common Stock, as such, shall not be entitled to vote on any amendment to the Corporation's Certificate of Incorporation that relates solely to the terms of one or more outstanding series of Preferred Stock if the holders of such affected series are entitled, either separately or together with the holders of one or more other such series, to vote thereon pursuant to the Corporation's Certificate of Incorporation or pursuant to the General Corporation Law.

(e) Adjustment in Authorized Common Stock. The number of authorized shares of Common Stock may be increased or decreased (but not below the number of shares of Common Stock then outstanding) by (in addition to any vote of the holders of one or more series

of Preferred Stock that may be required by the terms of the Corporation's Certificate of Incorporation) the affirmative vote of the holders of shares of capital stock of the Corporation representing a majority of the votes represented by all outstanding shares of capital stock of the Corporation entitled to vote, irrespective of the provisions of Section 242(b)(2) of the General Corporation Law.

6. Reissuance of Preferred Stock. In the event that any shares of Preferred Stock shall be converted pursuant to Section 4 or otherwise repurchased by the Corporation, the shares so converted, redeemed or repurchased shall be cancelled and shall not be issuable by the Corporation.

7. Waiver. Except as otherwise expressly set forth herein, any of the rights, powers, preferences and other terms of any series of Preferred Stock set forth herein may be waived on behalf of all holders of such series of Preferred Stock by the affirmative written consent or vote of the holders of a majority of the shares of such series of Preferred Stock then outstanding.

8. Notices. Any notice required by the provisions of this ARTICLE V to be given to the holders of Preferred Stock shall be deemed given if deposited in the United States mail, postage prepaid, and addressed to each holder of record at such holder's address appearing on the books of the Corporation, or given by electronic communication in compliance with the provisions of the General Corporation Law, and shall be deemed sent upon such mailing or electronic transmission.

ARTICLE VI

The Corporation is to have perpetual existence.

ARTICLE VII

Elections of directors need not be by written ballot unless the Bylaws of the Corporation shall so provide.

ARTICLE VIII

Unless otherwise set forth herein, the number of directors which constitute the Board shall be determined in the manner set forth in the Bylaws of the Corporation.

ARTICLE IX

In furtherance and not in limitation of the powers conferred by statute, the Board is expressly authorized to adopt, amend or repeal the Bylaws of the Corporation.

ARTICLE X

1. To the fullest extent permitted by the General Corporation Law as the same exists or as may hereafter be amended, a director of the Corporation shall not be personally liable to the Corporation or its stockholders for monetary damages for a breach of fiduciary duty as a director. If the General Corporation Law is amended to authorize corporate action further eliminating or

limiting the personal liability of directors, then the liability of a director of the Corporation shall be eliminated or limited to the fullest extent permitted by the General Corporation Law, as so amended.

2. The Corporation shall have the power to indemnify, to the extent permitted by the General Corporation Law, as it presently exists or may hereafter be amended from time to time, any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (a **“Proceeding”**) by reason of the fact that he or she is or was a director, officer, employee or agent of the Corporation or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans, against expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with any such Proceeding.

3. Neither any amendment nor repeal of this ARTICLE X, nor the adoption of any provision of the Corporation’s Certificate of Incorporation inconsistent with this ARTICLE X, shall eliminate or reduce the effect of this ARTICLE X, in respect of any matter occurring, or any action or proceeding accruing or arising or that, but for this ARTICLE X, would accrue or arise, prior to such amendment, repeal or adoption of an inconsistent provision.

ARTICLE XI

Meetings of stockholders may be held within or without the State of Delaware, as the Bylaws may provide. The books of the Corporation may be kept (subject to any provision contained in the statutes) outside of the State of Delaware at such place or places as may be designated from time to time by the Board or in the Bylaws of the Corporation.

ARTICLE XII

1. Any controversy or claim brought directly, derivatively or in a representative capacity by any present or former stockholder of the Corporation as a present or former stockholder, whether against the Corporation, in the name of the Corporation or otherwise, arising out of or relating to any acts or omissions of the Corporation or any of its officers, directors, agents, affiliates, associates, employees or controlling persons (including, without limitation, any controversy or claim relating to a purchase or sale of securities of the Corporation), shall be settled by arbitration under the Federal Arbitration Act filed with JAMS, Inc. (**“JAMS”**) and in accordance with the JAMS Comprehensive Arbitration Rules & Procedures, and judgment upon the award rendered by the arbitrator(s) may be entered in any court having jurisdiction. Any controversy or claim brought by the Corporation against any present or former stockholder of the Corporation in his, her or its capacity as a present or former stockholder shall also be settled by arbitration under the Federal Arbitration Act filed with JAMS and in accordance with the JAMS Comprehensive Arbitration Rules & Procedures, and judgment upon the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof. In the arbitration proceedings, the parties shall be entitled to all remedies that would be available in the absence of this ARTICLE XII and the arbitrator(s), in rendering their decision, shall follow the substantive laws that would otherwise be applicable and shall state the basis of

their decision. The arbitrator(s) shall issue a written opinion that includes the factual and legal basis for any decision and award, unless the parties agree otherwise. This ARTICLE XII shall apply, without limitation, to an action arising under any federal or state securities law.

2. The arbitration of any dispute pursuant to this ARTICLE XII shall be held the County in which the Corporation's principal executive offices are located.

3. NO CONTROVERSY OR CLAIM SUBJECT TO ARBITRATION UNDER THIS ARTICLE XII MAY BE BROUGHT IN A REPRESENTATIVE CAPACITY ON BEHALF OF A CLASS OF STOCKHOLDERS OR FORMER STOCKHOLDERS.

4. Any party, upon submitting a matter to arbitration as required by this ARTICLE XII, may seek a temporary restraining order or preliminary injunction on an individual basis from a court of competent jurisdiction pending the outcome of the arbitration. Notwithstanding the foregoing, this ARTICLE XII shall not apply to any claims to the extent prohibited by law from being arbitrated.

5. The parties to any proceeding may agree not to arbitrate all or part of any controversy or claim, on the selection of arbitrator(s), and the location and procedures applicable to any proceeding.

6. This ARTICLE XII is intended to benefit the officers, directors, agents, affiliates, associates, employees and controlling persons of the Corporation, each of whom shall be deemed to be a third-party beneficiary of this ARTICLE XII, and each of whom may enforce this ARTICLE XII to the full extent that the Corporation could do so if a controversy or claim were brought against it.

7. If any provision or provisions of this ARTICLE XII shall be held to be invalid, illegal or unenforceable as applied to any person or entity or circumstance for any reason whatsoever, then, to the fullest extent permitted by law, the validity, legality and enforceability of such provisions in any other circumstance and of the remaining provisions of this ARTICLE XII (including, without limitation, each portion of any sentence of this ARTICLE XII containing any such provision held to be invalid, illegal or unenforceable that is not itself held to be invalid, illegal or unenforceable) and the application of such provision to other persons or entities and circumstances shall not in any way be affected or impaired thereby.

ARTICLE XIII

Notwithstanding anything to the contrary in the Bylaws of the Corporation, the following shall apply with respect to the shares of the Corporation:

1. Stock Certificates. The shares of stock of the Corporation may be represented by certificates; *provided that*, the Board may provide by resolution or resolutions that some or all of any or all classes or series of the Corporation's stock shall be uncertificated shares. Any such resolution shall not apply to shares then-represented by a certificate until such certificate is surrendered to the Corporation. The certificates for shares of stock shall be in such form as the Board may from time to time prescribe. To the extent shares are represented by a certificate, the certificate of stock shall be signed by such officer or officers of the Corporation as may be

permitted by law to sign (which signatures may be facsimiles), and shall be countersigned and registered in such manner, all as the Board may by resolution prescribe.
