

Independent Accountant's Review Report

To Management
One Technologies, Inc.

I have reviewed the accompanying balance sheet of One Technologies, Inc. as of May 31, 2016, and the related statements of income, retained earnings, and cash flows for the years then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of company management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, I do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

My responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. Those standards require me to perform procedures to obtain limited assurance that there are no material modifications that should be made to the financial statements. I believe that the results of my procedures provide a reasonable basis for my report.

Accountant's Conclusion

Based on my review, I am not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents include all cash balances and highly liquid investments with maturities of three months or less when purchased.

Organizational Costs

As of the end of the period, the Company's only items of expense consisted of various costs related to the Company's organization.

Federal Income Taxes

The Company has not completed its first full year of operation, thus no federal income tax expense has been recorded in the statements. The Company is expected to accumulate various tax attributes such as Net Operating Loss carryforwards and will fully reserved them. The Company's filing for fiscal year 2016 will within the statutory period of review by the IRS for three years from the return's due date.

State Taxes

The Company is subject to California Franchise Tax. The Company's filing for fiscal year 2016 will fall within the statutory period of review by the State of California for four years from the date of filing.

NOTES TO FINANCIAL STATEMENTS (UNAUDITED) (CONTINUED)

CONCENTRATIONS OF RISK

Financial instruments that potentially subject the Company to credit risk consist of cash and cash equivalents. The Company places its cash and cash equivalents with a limited number of high quality financial institutions and at times may exceed the amount of insurance provided on such deposits.

GOVERNMENT PAYMENTS

At the end of the period, the Company owed no amounts with respect to government payments.

SUBSEQUENT EVENTS

Management considered events subsequent to the end of the period but before June 15, 2016, the date that the financial statements were available to be issued.
