Platform Compensation

- As compensation for the services provided hereunder by StartEngine Capital, Issuer shall pay to StartEngine Capital at the conclusion of the offering a fee consisting of a 5% (five percent) commission based on the amount of investments raised in the Offering and paid upon disbursement of funds from escrow at the time of a closing. The commission is paid in cash and in securities of the Issuer identical to those offered to the public in the Offering at the sole discretion of StartEngine Capital and reimbursement of certain expenses related to the Offering. The securities paid to the Site, if any, will be of the same class and have the same terms, conditions and rights as the securities being offered and sold by the Issuer on the Site.

Information Regarding Length of Time of Offering

- Investment Cancellations: Investors will have up to 48 hours prior to the end of the offering period to change their minds and cancel their investment commitments for any reason. Once the offering period is within 48 hours of ending, investors will not be able to cancel for any reason, even if they make a commitment during this period.
- Material Changes: Material changes to an offering include but are not limited to: A change in minimum offering amount, change in security price, change in management, etc. If an issuing company makes a material change to the offering terms or other information disclosed, including a change to the offering deadline, investors will be given five business days to reconfirm their investment commitment. If investors do not reconfirm, their investment will be cancelled and the funds will be returned.

Hitting The Target Goal Early & Oversubscriptions

- StartEngine Capital will notify investors by email when the target offering amount has hit 25%, 50% and 100% of the funding goal. If the issuing company hits its goal early, and the offering minimum of 21 days has been met, the issuing company can create a new target deadline at least 5 business days out. Investors

will be notified of the new target deadline via email and will then have the opportunity to cancel up to 48 hours before new deadline.

- Oversubscriptions: We require all issuers to accept oversubscriptions. This may not be possible if: 1) it vaults an issuer into a different category for financial statement requirements (and they do not have the requisite financial statements); or 2) they reach \$1M in investments.

Minimum and Maximum Investment Amounts

- In order to invest, to commit to an investment or to communicate on our platform, users must open an account on StartEngine Capital and provide certain personal and non-personal information including information related to income, net worth, and other investments.
- Investor Limitations: Investors are limited in how much they can invest on all crowdfunding offerings during any 12-month period. The limitation on how much they can invest depends on their net worth (excluding the value of their primary residence) and annual income. If either their annual income or net worth is less than \$100,000, then during any 12-month period, they can invest up to the greater of either \$2,000 or 5% of the lesser of their annual income or net worth. If both their annual income and net worth are equal to or more than \$100,000, then during any 12-month period, they can invest up to 10% of annual income or net worth, whichever is less, but their investments cannot exceed \$100,000.
