REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To Director and Shareholder of Ekats Securities

Opinion on The Financial Statements

We have audited the accompanying statement of financial condition of Ekats Securities (the "Company") as of December 31, 2022, and the related notes (collectively referred to as the "financial statement"). In our opinion, the financial condition presents fairly, in all material respects, the financial position of the Company as of December 31, 2022, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Tuttle & Bond

EKATS SECURITIES
NOTES TO FINANCIAL STATEMENT
December 31, 2022

Note 1

Organization and nature of business

Ekats Securities (the “Company”), formerly known as Crowdfunder Financial Services, Inc., was formed in 2016 and is a California corporation. The Company is a wholly-owned subsidiary of Ekats Financial, Inc. (the “Parent”). The Company’s primary business is that of a securities broker-dealer that engages in the private placement of securities of private funds, Regulation A and Regulation S offerings, in accordance with the membership agreement with the Financial Industry Regulatory Authority (“FINRA”). The Company is a registered broker under the Securities Exchange Act of 1934 on April 4, 2017 and is a member of FINRA and the Securities Investor Protection Corporation (“SIPC”).

On July 27, 2021, the Company entered into a Stock Purchase Agreement with Ekats Financial LLC to sell 100% of the Company. The transaction received FINRA approval under Rule 1017 application on December 12, 2022.

Going Concern and Liquidity Risk

The accompanying financial statements have been prepared on a going concern basis, which contemplates the continuation of operations, the realization of assets and the satisfaction of liabilities and commitments in the normal course of business. For the year ended December 31, 2022, the Company reported a net loss of \$33,175 and relied on unsecured financing of \$96,600 to fund its operation. These results and the \$14,980 of cash on hand at December 31, 2022 raise substantial doubt about the Company’s ability to continue as a going concern.

In 2023, after receiving FINRA approval of the Rule 1017 application, the new Stockholders intend to fund the firms operations with capital contributions.

Note 2

Summary of significant accounting policies

Fair value of financial instruments

The carrying amounts of financial instruments, including cash, prepaid expenses, deposits, and accounts payable and accrued expenses, approximates fair value due to the short term maturities of these assets and liabilities.

Revenue recognition

The Company recognizes revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The guidance requires an entity to follow a five-step model to (a) identify the contract(s) with a customer, (b) identify the performance obligations in the contract, (c) determine the transaction price, (d) allocate the transaction price to the performance obligations in the contract, and (e) recognize revenue when (or as) the entity satisfies a performance obligation.

EKATS SECURITIES

NOTES TO FINANCIAL STATEMENT (CONTINUED)

December 31, 2022

Note 2

Summary of significant accounting policies (continued)

Revenue recognition(continued)

In determining the transaction price, an entity may include variable consideration only to the extent that it is probable that a significant reversal in the amount of cumulative revenue recognized would not occur when the uncertainty associated with the variable consideration is resolved. Revenues from contracts with customers are comprised of placement fees. Such fees are recognized at the point in time when the Company's performance under the terms of the contractual arrangement is completed, which is typically at the close of a transaction.

Estimates

The preparation of financial statements in conformity with United States of America generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Actual results could differ from those estimates.

Income tax positions

The Financial Accounting Standards Board ("FASB") has issued a standard that clarifies the accounting and recognition of income tax positions taken or expected to be taken in the Company's income tax returns. The Company has analyzed tax positions taken for filing with the Internal Revenue Service and all state jurisdictions where it operates. The Company believes that income tax positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse affect on the Company's financial condition, results of operations or cash flows. Accordingly, the Company has not recorded any reserves or related accruals for interest and penalties for uncertain income tax positions. The Company has \$65,608 in a deferred tax asset and the Company applied a 100% discount valuation in anticipation of being unused.

If the Company incurs interest or penalties as a result of unrecognized tax positions the policy is to classify interest accrued with interest expense and penalties thereon with operating expenses. The Company is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Subsequent events

For purposes of preparing financial statements the Company considered events through February 28, 2023, the date the financial statements were available for issuance. Subsequent to the end of the year, the financial markets have been severely impacted by the effects of the Coronavirus pandemic. The Company continues to evaluate the current and long-term impact of the pandemic on Company operations, but projections to future operations are not known at this time.

EKATS SECURITIES

NOTES TO FINANCIAL STATEMENT (CONTINUED)

December 31, 2022

Note 4 **Net capital requirements**

The Company is subject to the Securities and Exchange Commission's Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of a minimum net capital balance and requires that the Company's aggregate indebtedness to net capital, as defined, shall not exceed 15 to 1. At December 31, 2022 the Company's net capital was \$12,233 which was \$7,233 in excess of its required net capital of \$5,000. The Company's aggregate indebtedness to net capital was 0.22 to 1.

Note 5 **Concentrations**

The Company maintains its cash at financial institutions in bank deposits, which may exceed federally-insured limits. The Company has not experienced any losses in such accounts and the Company believes it is not exposed to any significant risk with respect to cash.

Note 6 **Commitments and contingencies**

The Company does not have any commitments, guarantees or contingencies including arbitration or other litigation claims that may result in a loss or future obligation. The Company is not aware of any threats or other circumstances that may lead to the assertion of a claim at a future date.
