“Travel Like a Local”

- OneGlobe Citizen

the problem

Lack of Authentic Local Experiences

22 Average number of travel sites visited by the average traveller before booking.

Only 3% of accommodation bookings are made using mobiles.

percentage of travellers who consider the internet their main source of travel planning.

50%

of hotel bookings made using hotel apps are made in the same location, as the hotel on the same day.

percentage of cruises booked online.

72% of travel brands do not use any social sharing!

Reviews increase visitor browsing time on travel sites by between 50-100%

100%

Desktops & mobiles show different booking patterns. Highest on Friday for mobiles & Monday for desktops.

40% of travellers use social networking to share experiences.

percentage of travellers who use smart phones to book trips.

If YouTube were a country it would be the third most populated place in the world.

25% of travellers booked a travel service because of an unexpected email.

70%

number of business travellers who use their mobile device to check-in for their flight or hotel.

Social Media Influence on Travelers

update their Facebook status while on vacation

52%

of travelers have changed their original travel plans

50%

of travel companies surveyed agreed that direct bookings were generated from social media

46%

check in to a location (eg Facebook and FourSquare) while on vacation

33%

changed their hotel

10%

switched resorts

10%

changed agent/operator/website

7%

holidayed in a different country

5%

switched airlines

Travel means tech

Be The Difference.

Promote human connectivity through the aggregation of authentic cultural content

An aerial photograph of the Akashi Kaikyo Bridge, a long suspension bridge with two large orange-red towers and multiple spans. The bridge crosses a wide body of water with visible ripples. Several cars are visible on the bridge deck. The text "But how? ..." is written in a large, white, serif font across the middle of the image.

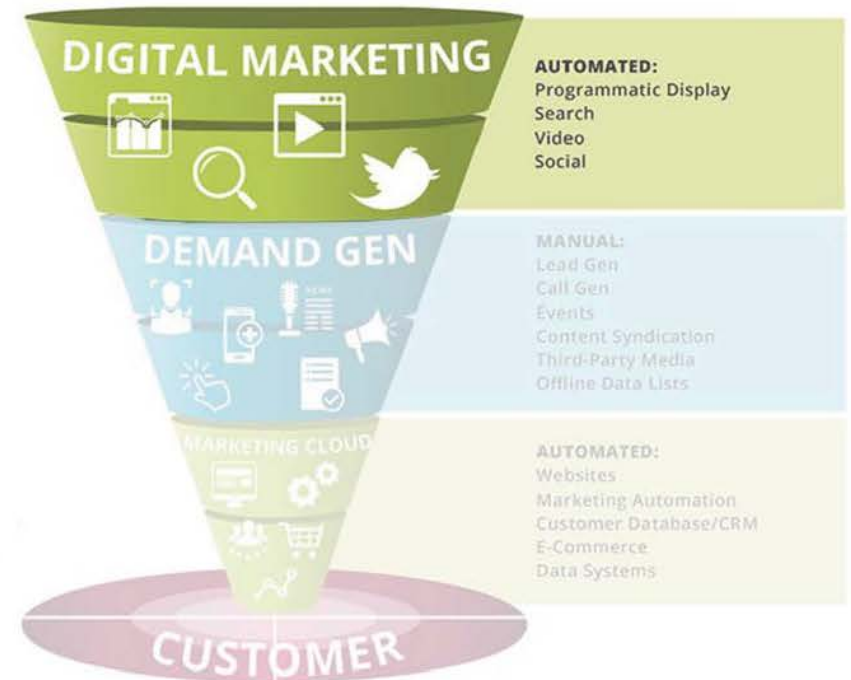

But how? ...
