Filed February 1, 2017
File No. 333-214081**

Dear Mr. Sutherland:

We have reviewed your amended registration statement and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter by amending your registration statement and providing the requested information. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your registration statement and the information you provide in response to these comments, we may have additional comments.

Recent Developments, page 17

1. Please revise your presentation to provide context to the direct written premium for fiscal 2016 by also disclosing the anticipated fiscal 2016 net income/loss figure or a range thereof. Also disclose your estimate for net premiums earned in fiscal 2016 or disclose why this figure is not presented.
2. Please revise to provide context to each of the four fiscal year-end 2016 figures by also presenting the same figures for one or more prior fiscal years. In particular, we note that you do not disclose a "renewal hit ratio" for any prior periods elsewhere in the prospectus. Also explain whether the financial estimates presented in this section are consistent with any past or known future trend information discussed in your Management's Discussion & Analysis disclosure.
