Preliminary Proxy Statement on Schedule 14A filed July 8, 2024

General

1. It appears that the proposed amendment to your articles of incorporation for an increase in authorized common stock relates to your merger with Onar, as reflected in your Form 8-K filed on June 18, 2024. Therefore, please revise your proxy statement to provide the information, including financial statements, required by Items 11, 13, and 14 of Schedule 14A. See Note A of Schedule 14A.
2. Please revise your filing throughout to reflect that you are filing a proxy statement rather than an information statement.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.
