## Experience

### Director of Marketing

World Tree

Jan 2016 – Present · 2 yrs 9 mos

Many people are looking for green alternatives to conventional investment approaches. The World Tree Carbon Offset Program is an investment opportunity for people who want to use their money to create both positive change in the world and a return on investment.

The World Tree Carbon Offset Program makes it possible for everyone to reverse their impact on the environment and creates the potential to generate wealth for themselves, their families and their communities.
