Recognition:

Tampon Tribe, Inc. (DBA Tampon Tribe) founders, Jen and Gaby have been working together for 16 years and after starting the business on a counter-top, they now have a full line of tampons, pads, liners, cups and period undies (and a small warehouse in LA). They developed their products to enable everyone in their communities access to organic, quality products. Their cotton is grown to the highest international certified organic standards. Everything from the soil, to water use and chemicals (of which there are none), is strictly monitored and regulated. All orders ship using zero-waste materials, with no plastics. Everything the customer receives from Tampon Tribe is compostable - tampons, pads, liners and period undies, and packaging. Tampon Tribe meets 10 of the United Nations' 17 Sustainable Development Goals with a fully traceable supply chain, from soil to consumer.

About:

Tampon Tribe, Inc. (DBA Tampon Tribe) is a women, LGBTQIA+, and Latina-owned small business that cares passionately about health and equity. They're on a mission to eliminate all toxins from period products and all single-use plastics from the planet, and they're cash-flow positive. Tampon Tribe is today, proudly the U.S.' only sustainable, organic, GMO-free, and plastic-free period products company.
