Amendment No. 1 to Form 20-F for the Fiscal Year Ended December 31, 2022

Item 16I. Disclosure Regarding Foreign Jurisdictions that Prevent Inspections, page 1

1. We note your statement that you reviewed your register of members and public filings made by your shareholders in connection with your required submission under paragraph (a). Please supplementally describe any additional materials that were reviewed and tell us whether you relied upon any legal opinions or third party certifications such as affidavits as the basis for your submission. In your response, please provide a similarly detailed discussion of the materials reviewed and legal opinions or third party certifications relied upon in connection with the required disclosures under paragraphs (b)(2) and (3).
2. In order to clarify the scope of your review, please supplementally describe the steps you have taken to confirm that none of the members of your board or the boards of your consolidated foreign operating entities are officials of the Chinese Communist Party. For instance, please tell us how the board members' current or prior memberships on, or affiliations with, committees of the Chinese Communist Party factored into your

determination. In addition, please tell us whether you have relied upon third party certifications such as affidavits as the basis for your disclosure.

3. We note that the disclosures pursuant to Items 16I(b)(2), (b)(3) and (b)(5) are provided for "our company." We also note that your list of subsidiaries in Exhibit 8.1 appears to indicate that you have subsidiaries in countries outside China. Please note that Item 16I(b) requires that you provide disclosures for yourself and your consolidated foreign operating entities, including variable interest entities or similar structures.
 - With respect to (b)(2), please supplementally clarify the jurisdictions in which your consolidated foreign operating entities are organized or incorporated and provide the percentage of your shares or the shares of your consolidated operating entities owned by governmental entities in each foreign jurisdiction in which you have consolidated operating entities in your supplemental response.
 - With respect to (b)(3) and (b)(5), please provide the required information for you and all of your consolidated foreign operating entities in your supplemental response.
4. We note your disclosure pursuant to Item 16I(b)(3) addresses ownership or control by governmental entities in "China." However, we note your definition of "China" on page 2 of your Annual Report on Form 20-F filed on April 21, 2023 distinguishes between mainland China and Hong Kong. Please supplementally tell us the ownership or control by governmental entities in Hong Kong as well as in China.
5. With respect to your disclosure pursuant to Item 16I(b)(5), we note that you have included language that such disclosure is "to our best knowledge." Please supplementally confirm without qualification, if true, that your articles and the articles of your consolidated foreign operating entities do not contain wording from any charter of the Chinese Communist Party.

Please contact Tyler Howes at 202-551-3370 or Jennifer Gowetski at 202-551-3401 with any questions.
