**Re: Kriptech International Corp.
Registration Statement on Form S-1
Filed November 28, 2016
File No. 333-214815**

Dear Mr. Antontcev:

Our preliminary review of your registration statement indicates that it fails in material respects to comply with the requirements of the Securities Act of 1933, the rules and regulations under that Act, and the requirements of the form. Specifically, your auditor, Monte C. Waldman, CPA, is not registered with the PCAOB. We will not perform a detailed examination of the registration statement and we will not issue comments. We suggest that you consider filing a substantive amendment to correct the deficiency and provide a valid audit report.

If you were to request acceleration of the effective date of the registration statement in its present form, we would likely recommend that the Commission deny your request.

Sincerely,
