THE BACKGROUND STORY OF ADVENTURE CLUBS

WHERE DID THIS COME FROM

Adventure Clubs began two years ago, when an American mom named Janelle moved to Cape Town and found herself not knowing anyone, yet exploring the city daily with her three children.

Every day of the week, Janelle planned one adventure around the city for her and her children, and they found so much joy and fulfillment out of their adventures together, going to beaches and exploring museums, harvesting fruit at wine farms and walking forest trails.

Yet, she longed for friends to share their experiences with—friends for her and for her children. And Adventure Clubs was born. The bigger story is a four-part blog series:

ADVENTURE CLUBS IS A GLOBAL LIFESTYLE BRAND

WHAT WE DO

We exist because one of the most important things we can be doing is spending quality time with our children.

We make an adventurous life easy for families with small children ages 6 months - 6 years.

We offer you an opportunity to easily handcraft the childhood every kid dreams of... one that's full of adventure, experienced with the person they love most—YOU.

Childhood only happens once, and this is our moment, so let's make the most of it!

ADVENTURE CLUBS IS A COMMUNITY OF LOCAL FAMILIES

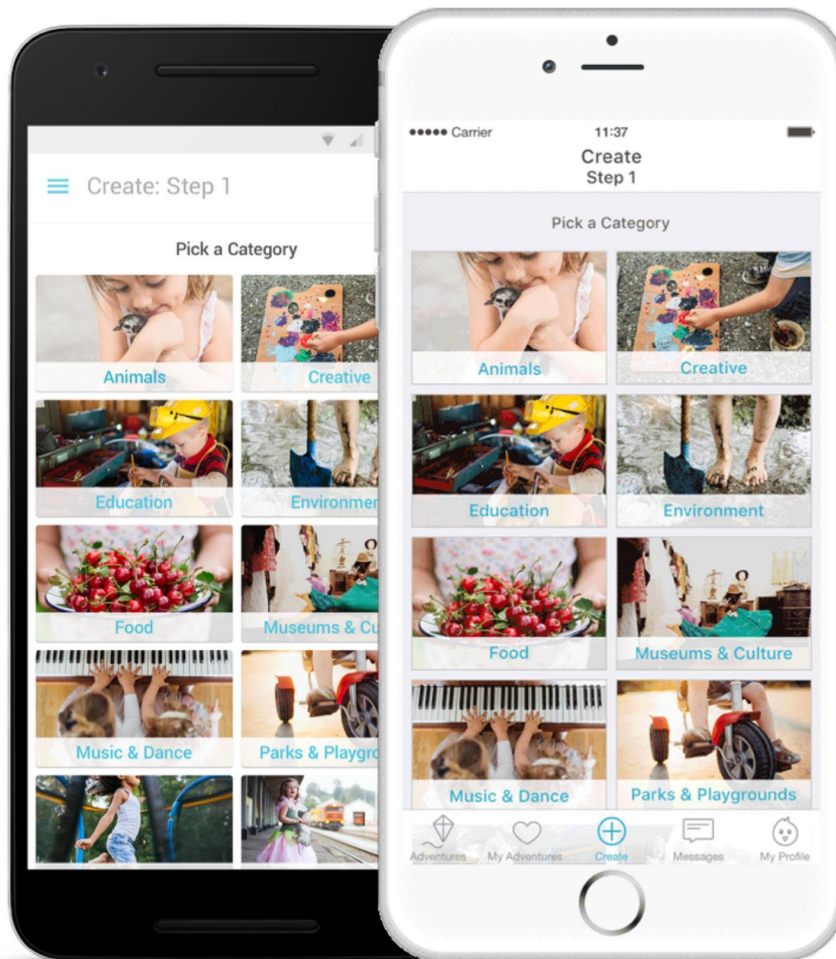

Each adventure is experienced together with 3 - 12 families who enjoy adventures together. But there could be different families at each adventure, so we are often meeting new friends!

Adventure Clubs has created a **FREE mobile app** where families access childhood experiences (available on iPhone and Android).

With the app, you are able to:

Adventures

Any Adventurer can create, publish then invite others to join

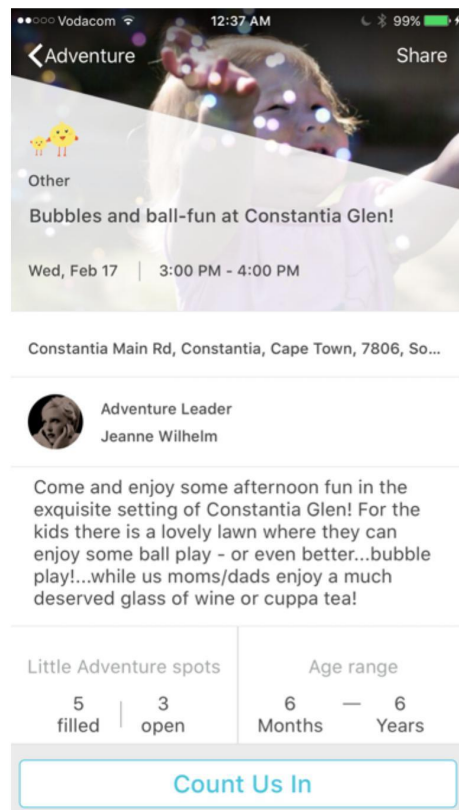

Premium Adventures

Premium Adventure Hosts (a local business) and Adventure Clubs co-create experiences, lead by an Adventure Leader and hosted at the business.

ADVENTURES ARE EVERYDAY ACTIVITIES WITH OTHERS

The Adventure Clubs App is the tool every family needs to spend quality time with their kids—whenever, wherever.

Everyday Adventures

An Adventure is created by ANY parent who has a great idea of something fun to do with a group of parents and kids!

You can go on the app at any time and set up an adventure, making it either “public” (so you can meet new people), or “private” (only visible to your invited friends and their invited friends).

An Adventure Leader does not receive any discounts or special offerings from Adventure Clubs.

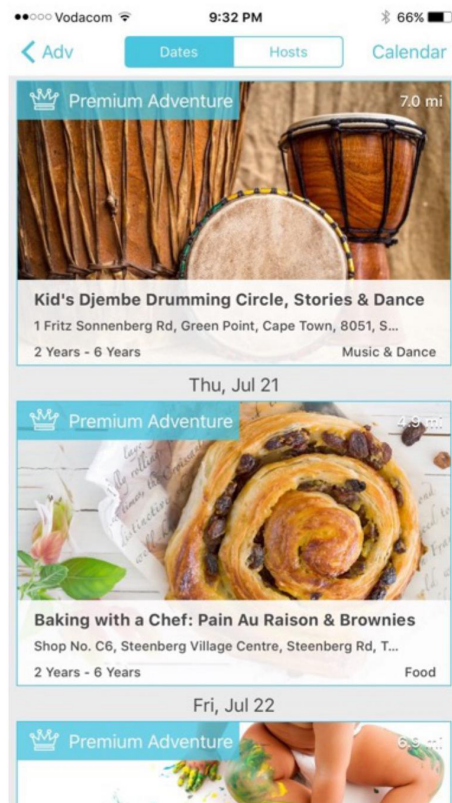

Parents set these adventures up because they:

- ▶ Desire to create a great experience for their kids.
- ▶ Want to build community and meet new people.
- ▶ Love their city and want to introduce people to great places.

PREMIUM ADVENTURES ARE EXTRA SPECIAL ADVENTURES

They are set up by the Adventure Clubs team with a local Adventure Host, which is a local place of business or non-profit organization which desires to host an adventure.

Premium Adventures

The Adventure Clubs team sets everything up with the Adventure Host, arranges the adventure, date and time and all the bigger details.

Then we present the total package to that city's Premium Adventure Leaders, where you can choose to lead it. If you do, you tap "I'll Lead" and complete your RSVP.

A Premium Adventure Host agrees to:

- Offer the adventurers a discounted price on an experience and/or create a special experience that couldn't be accessed elsewhere.
- Allow the Adventure Leader to go on that adventure for free for one guardian and one child, so they can lead without paying.

PREMIUM ADVENTURE LEADERS

A Premium Adventure Leader is a mom who wants to lead other families on adventures. We are looking for social people who love making new friends and connecting people into community with each other.

Premium Adventures

A Premium Adventure Leader needs to be friendly, communicative, decisive, and have children in the target age range (6 months - 6 years) to adventure with them.

What do you get out of it? You get the opportunity to lead Premium Adventures and get into the ones you lead **FOR FREE!** Plus, the chance to grow your leadership skills and build community in your city, while making awesome childhood memories with your kids.

THE ASK: Create and Lead 1 everyday adventures and also Lead 1 Premium Adventures per month.
