The “**Valuation Cap**” is \$13,500,000.

The “**Discount Rate**” is 80%.

See **Section 2** for certain additional defined terms.

1. Events

(a) **Equity Financing.** If there is an Equity Financing of Standard Preferred Stock before the termination of this SAFE, the Company will automatically issue to the Investor a number of shares of CF Shadow Series Preferred Stock equal to the Purchase Amount divided by the Conversion Price.

In connection with the automatic conversion of this Safe into shares of CF Shadow Series Preferred Stock, by the Company to the Investor pursuant to this Section 1(a):

- (i) the Investor or the Designated Lead Investor (defined below), if any, will execute and deliver to the Company all transaction documents related to the Equity Financing; *provided, that* such documents (i) are the same documents to be entered into with the purchasers of Standard Preferred Stock, with appropriate variations for the CF Shadow Series Preferred Stock if applicable; and
- (ii) if the Investor is a Major Investor, the Investor and the Company will execute a Rights Agreement in favor of the Investor, unless the Investor is already included in such rights in the transaction documents related to the Equity Financing.

(b) **Liquidity Event.** If there is a Liquidity Event before the expiration or termination of this Safe, the Investor will, at his/her option, either (i) receive a cash payment equal to the Purchase Amount (subject to the following paragraph) or (ii) automatically receive from the Company a number of shares of Common Stock equal to the Purchase Amount divided by the Liquidity Price, if the Investor fails to select the cash option.

In connection with this Section 1(b)(i), the Purchase Amount will be due and payable by the Company to the Investor immediately prior to, or concurrent with the consummation of the Liquidity Event. If there are not enough funds to pay (i) holders of shares of Standard Preferred Stock issued by the date of this instrument or holders of shares of subsequent Standard Preferred Stock that does not trigger an Equity Financing (“**Senior Preferred Holders**”) and (ii) the

Investor and holders of other SAFES (collectively the “Cash Out Investors”) in full, then the Company’s available funds will be distributed (i) first to the Senior Preferred Holders and (ii) second with equal priority and pro rata among the Cash-Out Investors in proportion to their Purchase Amounts and the Cash-Out Investors will automatically receive the number of shares of Common Stock equal to the remaining unpaid Purchase Amount divided by the Liquidity Price. In connection with a Change of Control intended to qualify as a tax-free reorganization, the Company may reduce pro rata the Purchase Amounts payable to the Cash-Out Investors by the amount determined by the Board in the good faith to be advisable for such change of control to qualify as a tax-free reorganization for U.S. federal income tax purposes, and in such case, the Cash-Out Investors will automatically receive the number of shares of Common Stock equal to the remaining unpaid Purchase Amount divided by the Liquidity Price

(c) **Dissolution Event.** If there is a Dissolution Event before this instrument expires or terminates, the Company will pay (i) first to the Senior Preferred Holders any amounts due and payable to them in connection with a Dissolution Event under the Company’s Certificate of Incorporation the (Senior Preferred Holders’ Payment) and (ii) second an amount equal to the Purchase Amount due and payable to the Investor immediately prior to or concurrent with the consummation of the Dissolution Event. The Purchase Amount will be paid prior to and in preference to any distribution of the assets of the Company to holders of outstanding Common Stock by reason of their ownership thereof. If immediately prior to the consummation of the Dissolution Event and after payment of the Senior Preferred Holders’ Payment, the assets of the Company legally available for distribution to the Cash-Out Investors as determined in good faith by the Board are insufficient to permit the payment to the Cash-Out Investors of their respective Purchase Amounts then the entire assets of the Company legally available for distribution will be disbursed with equal priority and pro rata among the Cash-Out Investors in proportion to the Purchase Amounts they would otherwise be entitled to receive pursuant to this Section 1(c).

(d) **Repurchase.** If the Company determines, in its sole discretion, that it is likely that within six months the securities of the Company will be held of record by a number of persons that would require the Company to register a class of its equity securities under the Securities Exchange Act of 1934, as amended, as required by Section 12(g) thereof, the Company shall have the option to repurchase this instrument from the Investor for the greater of (i) the purchase amount and (ii) the fair market value of this instrument, as determined by an independent appraiser of securities chosen by the Company (such repurchase, the “Repurchase,” and such greater value, the “Repurchase Value”); provided, however, that, in the event an Equity Financing occurs within three months after the Repurchase and the Repurchase Value is less than the Aggregate Value (as defined below) of the shares of CF Shadow Series Preferred Stock the Investor would have received had the Repurchase not occurred (where such value is determined by multiplying the number of shares of CF Shadow Series Preferred Stock by the Conversion Price and is referred to as the “Aggregate Value”), the Company shall pay to the Investor an amount equal to the difference between the Aggregate Value and the Repurchase Value promptly following the consummation of the Equity Financing. Such independent appraiser shall be regularly engaged in the valuation of securities. The foregoing repurchase option terminates upon a Change of Control or Dissolution Event.

(e) **Termination.** This Safe will expire and terminate (without relieving the Company of any obligations arising from a prior breach of or non-compliance with this SAFE) upon either: (i) the issuance of CF Shadow Series Preferred Stock to the Investor pursuant Section 1(a) or Section 1(b)(ii); (ii) the payment or setting aside for payments of amounts due the Investor pursuant to Section 1(b)(i) or Section 1(c); or (iii) the payment of the Repurchase Value; provided, however, the provisions of Section 1(d) in the event an Equity Financing occurs within three months after the Repurchase; provided further that Section 5 shall survive any such termination.
