## Experience

Bay Bridge Ventures  
Co-Founder & General Partner  
February 2022 - Present (3 months)  
San Francisco Bay Area

Launched in 2022, Bay Bridge Ventures is an Institutional ESG and Sustainability focused venture capital firm, purpose-built from the ground up as a diverse-owned and managed organization investing in scalable, profitable, and impactful companies across technology sectors while providing transparency through its industry-leading impact reporting process.

Bay Bridge Ventures was founded on the belief that solutions to the world's hardest environmental and social problems will be accelerated by the advancement of foundational technologies, such as AI & Big Data, Advanced Computing, Sensors & IoT, High-Bandwidth Connectivity, Energy Storage, Robotics and Synthetic Biology.

With a world-class team and scalable institutional investment strategy centered around meeting sophisticated ESG, DEI and Sustainability investment mandates, Bay Bridge Ventures invests in early to mid-stage companies supporting Climate Tech, Health Innovation and Inclusive Capitalism.
