Founder; CEO

Voyage

2014 – Present · 7 yrs

Los Angeles, California, United States

Voyage is the first ever incubator of film, television and now podcast content. We connect storytellers from all over the world with high quality producers, and finance/distribute the best of their collaborations. Our vision is to make more seamless and efficient the journey from concept to screen, and to develop content at scale for the growing 'originals' market.

Co-Founder

TODpix

2012 – 2014 · 2 yrs

Greater Los Angeles Area

TODpix is a movie-centric interactive platform connecting fans to movies and filmmakers to fans. Entirely customizable, the site facilitates connections through the collaborative creation of content around the movies you love with filmmakers you admire. Utilizing its relationships with studios, exhibitors and independent filmmakers, TODpix also offers on-demand ...see more
