We are so excited about our upcoming PUSHTECH DIVERSITY & INCLUSION VIRTUAL SUMMIT!!! Building on the 6 years of emphasis in the world of technology, this year's Summit will broaden and expand its scope of impact to include numerous Diversity and Inclusion leaders and influencers in various high-profile roles from various companies across the spectrum of corporate America, business industries and Community platforms. The event will also feature and acknowledge a wide array of companies who over the past year have made significant inroads and expansion in the areas of Diversity, Equity and Inclusion Programming and Opportunities in the wake of the Global Social Justice Awakening of 2020. We will also highlight the amazing platforms of PUSHTECH, FAITHTECH and SPORTSTECH, all of which prepared us to thrive and survive in the unexpected shift to what is our NEW & NOW NORMAL Virtual World.

I am writing to inform you that we would like to HONOR YOU AND ONEVA at this year's event!

Your impact, growth and success make us so proud! You have been a significant part of our work and we want to celebrate your incredible path as a gifted, visionary, African American Woman Entrepreneur! We will also feature Oneva via video footage throughout the conference. It is our privilege to tell your story!

Please share with your friends and colleague's information about the upcoming event. We want to ensure that those within your network can share this moment with you. The Award presentation will take place the evening of Wednesday, May 12 (specific time TBD). The remainder of the conference will be Thursday and Friday, May 13 and 14. We look forward to gathering the family to encourage, empower and equip one another as we "Keep Hope Alive" pressing towards a better day. We can win if we stay together, work together and move forward together.
