### Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of Radius Securities LLC (the "Company") as of June 30, 2018 the related statements of operations, changes in members' equity, and cash flows for the year ended June 30, 2018, and the related notes (collectively referred to as the financial statements). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of June 30, 2018, and the results of its operations and its cash flows for the period then ended in conformity with accounting principles generally accepted in the United States of America.

### Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

## **NOTES TO FINANCIAL STATEMENTS**

**JUNE 30, 2018**

### **NOTE 1. DESCRIPTION OF ORGANIZATION AND BUSINESS**

Radius Securities LLC (the “Company”) is a broker dealer registered with the Securities and Exchange Commission (“SEC”) and is a member of the Financial Industry Regulatory Authority (“FINRA”) formed for the purpose of providing broker dealer services including financial advisory services, mergers and acquisition services and to engage in private placement of securities and similar services.

The Company became a member of FINRA on October 2, 2017. The Company has a June fiscal year end. These financial reports cover the 12 month period of the Company’s fiscal year ending June 30, 2018.

### **NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### Basis of Presentation

These financial statements were prepared in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”) which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

#### Revenue Recognition

Revenue will be recognized when earned and collectable when the terms of the agreement are fulfilled.

#### Income Taxes

The Company is a limited liability company, treated as a partnership for federal, state and city income tax purposes; it therefore does not incur income taxes at the Company level. Instead its earnings and losses are passed through to the members and included in the calculation of each member’s tax liability. Accordingly, no provision for income taxes has been made in the accompanying financial statements. The Company is subject to New York City Unincorporated Business Tax.

### **NOTE 3. RELATED PARTY TRANSACTIONS**

In accordance with a services agreement, the Company’s affiliate pays for various specified expenses for which the Company compensates the affiliate in the form of a management fee and for various other expenses, such as sundry professional services, for which the Company does not reimburse the affiliate.

During the period covered in this report, the Company accrued \$900 on its books for the management fee. The affiliate agreed to pay other expenses on behalf of the Company without seeking reimbursement.

**RADIUS SECURITIES LLC**  
**NOTES TO FINANCIAL STATEMENTS**

**JUNE 30, 2018**

**NOTE 4. NET CAPITAL REQUIREMENTS**

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule 15c3-1. This Rule requires the maintenance of minimum net capital and that the ratio of aggregate indebtedness to net capital both as defined shall not exceed 8 to 1 in its first year and that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At June 30, 2018 the Company's net capital was \$9,710 which was approximately \$4,710 in excess of its minimum requirement of \$5,000.

**NOTE 5. COMPLIANCE WITH RULE 15C3-3**

The Company does not handle cash or securities on behalf of customers and accordingly has no obligation under SEC Rule 15c3-3.

**NOTE 6. RECENT ACCOUNTING PRONOUNCEMENTS**

In May 2014, the Financial Accounting Standards Board ("FASB") issued ASU No. 2014-09, Revenue from Contracts with Customers, which creates a new Topic, Accounting Standards Codification (Topic 606). The standard is principle-based and provides a five-step model to determine when and how revenue is recognized. The core principle is that a company should recognize revenue when it transfers promised goods or services to customers in an amount that reflects the consideration to which it expects to be entitled in exchange for those goods or services. This standard is effective for interim or annual periods beginning after December 15, 2017 and allows for either full retrospective or modified retrospective adoption. Early adoption of this standard is not allowed. Management is currently evaluating the impact of the adoption of Topic 606 will have on the Company's financial statements.

**NOTE 7. GOING CONCERN**

Accounting Standards Update 2014-15 requires that management evaluate conditions or events that might raise substantial doubt about the Company's ability to continue as a going concern. Management has evaluated the Company's conditions and has determined that unless the Company generates enough revenue or continues to be funded by its members, there is substantial doubt about the Company's ability to continue as a going concern. Capital is not a significant income producing factor but should the Company have a need for capital it will be able to rely upon its members to infuse capital to cover overhead should that become necessary.

## **REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Members of  
Radius Securities LLC

We have reviewed management's statements, included in the accompanying Rule 15c3-3 Exemption Report, in which (1) Radius Securities LLC (the "Company") may file an exemption report because it had no obligations under 17 C.F.R. §240.15c3-3 and (2) the Company stated that it had no exceptions under SEC Rule 15c3-3 throughout the year ended June 30, 2018. The Company's management is responsible for compliance with 17 C.F.R. §240.15c3-3 and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on Rule 15c3-3 under the Securities Exchange Act of 1934.
