RADIUS SECURITIES LLC

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2024

NOTE 1. DESCRIPTION OF ORGANIZATION AND BUSINESS

Radius Securities LLC (the “Company”) is a broker dealer registered with the Securities and Exchange Commission (“SEC”) and is a member of the Financial Industry Regulatory Authority (“FINRA”) formed for the purpose of providing broker dealer services including financial advisory services, mergers and acquisition services and to engage in private placement of securities and similar services.

The Company has had no meaningful operations since it became a member of FINRA in October 2017.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

These financial statements were prepared in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”) which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

Revenue Recognition

The Company recognizes revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The guidance requires an entity to follow a five-step model to (a) identify the contract(s) with a customer, (b) identify the performance obligations in the contract, (c) determine the transaction price, (d) allocate the transaction price to the performance obligations in the contract, and (e) recognize revenue when (or as) the entity satisfies a performance obligation. In determining the transaction price, an entity may include variable consideration only to the extent that it is probable that a significant reversal in the amount of cumulative revenue recognized would not occur when the uncertainty associated with the variable consideration is resolved.

Revenue will be recognized when earned and collectable when the terms of the agreement are fulfilled.

Cash

All cash deposits are held by one financial institution and therefore are subject to the credit risk at that financial institution. The Company has not experienced any losses in such accounts and does not believe there to be any significant credit risk with respect to these deposits.

RADIUS SECURITIES LLC
NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2024

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Significant Judgements

Revenue from contracts with customers includes fees from advisory services, capital introduction placements and retainer fees. The recognition and measurement of revenue is based on the assessment of individual contract terms. Significant judgment is required to determine whether performance obligations are satisfied at a point in time or over time; how to allocate transaction prices where multiple performance obligations are identified; when to recognize revenue based on the appropriate measure of the Company's progress under the contract; and whether constraints on variable consideration should be applied due to uncertain future events.

Income Taxes

The Company is a limited liability company, treated as a partnership for federal and state income tax purposes; it therefore does not incur income taxes at the Company level. Instead its earnings and losses are passed through to the members and included in the calculation of each member's tax liability. Accordingly, no provision for income taxes has been made in the accompanying financial statements. The Company is subject to New York City Unincorporated Business Tax.

NOTE 3. RELATED PARTY TRANSACTIONS

In accordance with a services agreement, the Company's affiliate pays for various specified expenses for which the Company compensates the affiliate in the form of a management fee and for various other expenses, such as sundry professional services, for which the Company does not reimburse the affiliate.

During the period covered in this report, the Company has incurred \$1,200 on its books for the management fee. The affiliate agreed to pay other administrative and operational expenses on behalf of the Company without seeking reimbursement. As of June 30, 2024, the outstanding balance due to the affiliate was \$5,100.

NOTE 4. NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule 15c3-1. This Rule requires the maintenance of minimum net capital and that the ratio of aggregate indebtedness to net capital both as defined shall not exceed 15 to 1 and that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At June 30, 2024 the Company's net capital was \$14,751 which was \$9,751 in excess of its minimum requirement of \$5,000.

NOTE 5. COMPLIANCE WITH RULE 15C3-3

The Company does not handle cash or securities on behalf of customers and accordingly has no obligation under SEC Rule 15c3-3.

RADIUS SECURITIES LLC
NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2024

NOTE 6. GOING CONCERN

Accounting Standards Update 2014-15 requires that management evaluate conditions or events that might raise substantial doubt about the Company's ability to continue as a going concern. Management has evaluated the Company's conditions and has determined that unless the Company generates enough revenue or continues to be funded by its members, there is substantial doubt about the Company's ability to continue as a going concern. Capital is not a significant income producing factor but should the Company have a need for capital it will be able to rely upon its members to infuse capital to cover overhead should that become necessary.

NOTE 7. SUBSEQUENT EVENTS

The Company has evaluated events or transactions that may have occurred subsequent to June 30, 2024 and through the date the financial statements were issued and determined that there are no material events that would require disclosure in the Company's financial statements.

To the Members of
Radius Securities LLC

We have reviewed management's statements, included in the accompanying Rule 15c3-3 Exemption Report pursuant to SEC Rule 17a-5, in which (1) Radius Securities LLC (the "Company") did not claim an exemption under paragraph (k) of 17 C.F.R. §240.15c3-3 in reliance upon Footnote 74 of SEC Release No. 34-70073 and as discussed in Question 8 of the related FAQ's released by the SEC staff, and (2) the Company may file an Exemption Report because it had no obligations under 17 C.F.R. §240.15c3-3 and the Company limits its business activities exclusively to private placements, success fees and merger, acquisition advisory services and similar services. In addition, the Company did not handle cash or securities on behalf of customers without any exceptions throughout the most recent fiscal year ending June 30, 2024.

The Company's management is responsible for compliance with the provisions contemplated by Footnote 74 of SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 and related SEC Staff Frequently Asked Questions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with SEC Rule 15c3-3. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based upon the Company's business activities contemplated by Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. §240.17a-5, and related SEC Staff Frequently Asked Questions.
