Notes to Consolidated Financial Statements

2. Summary of Significant Accounting Policies

Organization and Offering Costs, page F-15

1. We note your response to comment 2. Please clarify for us why offering costs of \$14,376,000 presented on the consolidated statements of stockholders' equity equals the same amount on the consolidated statements of cash flows for the year ended December 31, 2022. Your response should reflect your policy which appears to be that offering costs not paid upfront will be accrued as a liability with an offset to equity.

You may contact Howard Efron at 202-551-3439 or Jennifer Monick at 202-551-3295 if
