Letter of Intent to Acquire OpenALPR Technology, Inc., page 43

2. As it appears that you will be required to pay a substantial portion of the consideration for your planned acquisition of OpenALPR in cash, disclose how you intend to secure additional funding to support the acquisition.
3. We note an investor presentation where you indicate that Novume is transitioning to a technology company focused in artificial intelligence (AI), and that your current portfolio of AI technologies provides you with the opportunity to "disrupt." We further note your press release describing your planned acquisition of OpenALPR as furthering disruption of the vehicle recognition market through the use of "market-leading AI Technology." Expand your disclosure here and where applicable to reflect this transition in business focus. You should discuss the company's specific AI offerings, and how such products and/or services differ from more typical algorithmic computing.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.

You may contact Christie Wong, Staff Accountant, at (202) 551-3684 or Terry French, Accountant Branch Chief, at (202) 551-3828 if you have questions regarding comments on the financial statements and related matters. Please contact Joshua Shainess, Attorney-Adviser, at (202) 551-7951 or Celeste M. Murphy, Legal Branch Chief, at (202) 551-3257 with any other questions.
