**Notes to Financial Statement**

**Note 1 - Nature of Business and Summary of Significant Accounting Policies**

**Nature of Business:**

**Angel Pond Capital, LLC (“the Company”, “the LLC”, “or “APC”)** was organized in Delaware on September 23, 2014 under the name Puissance Financial Group LLC, subsequently changed to APC on June 23, 2017. The Company commenced operations as a broker/dealer on June 6, 2017, the date it was approved as a broker/dealer and registered with the Securities and Exchange Commission (“SEC”). The Company is a member of the Financial Industry Regulatory Authority (“FINRA”) and the Securities Investor Protection Corporation (“SIPC”). The Company advises its customers in raising capital through its private placement and corporate finance business.

The Company does not claim an exemption under paragraph (k) of 17 C.F.R. §240.15c3-3 however the Company is relying on Footnote 74 of SEC Release no. 34-70073 adopting amendments to 17 C.F.R. §240.17a-5 because the Company limits its business activities to advisory fees and advising clients on capital raising as well as the private raising of capital. However, the Company does not hold customer funds or securities. Under these exemptive provisions, the Computation for Determination of Reserve Requirements and Information Relating to the Possession and Control Requirements are not required.

**Significant Accounting Policies:**

**Basis of Presentation**

The accompanying financial statements and related notes have been prepared in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

**Use of Estimates**

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of the assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Accounts Receivable**

Accounts receivable are recorded at outstanding principal when invoices are issued. The Company evaluates its receivables to determine collectability as necessary. Management of the Company determined that at December 31, 2022, an allowance for doubtful accounts was not necessary. The Company had outstanding accounts receivable of \$0 and \$0 at December 31, 2021 and 2022 respectively.

**Notes to Financial Statement**  
**DECEMBER 31, 2022**

**Note 1 - Nature of Business and Summary of Significant Accounting Policies (continued)**

Credit Risk

The Company's cash is placed with a highly rated financial institution and the Company conducts ongoing evaluations of the credit worthiness of the financial institution with which it does business. At certain times cash balances in the bank account may exceed federally insured limits of \$250,000 of the Federal Deposit Insurance Corporation (FDIC). At December 31, 2022, the cash balance was below the FDIC limit by \$73,462.

Lease Accounting

The Company has elected the package of practical expedients permitted in Accounting Standards Update No. 2016-02, *Leases (Topic 842)* ("ASC Topic 842"). Accordingly, the Company accounted for its existing operating lease as an operating lease under the new guidance, without reassessing (a) whether the contract contains a lease under ASC Topic 842, (b) whether classification of the operating lease would be different in accordance with ASC Topic 842, or (c) whether the unamortized initial direct costs before transition adjustments (as of December 31, 2019) would have met the definition of initial direct costs in ASC Topic 842 at lease commencement. The Company defines a short-term lease as a lease that, at the commencement date, has a lease term of 12 months or less and does not contain an option to purchase the underlying asset that the lessee is reasonably certain to exercise. The Company elected to recognize short-term lease payments as an expense on a straight-line basis over the lease term. Related variable lease payments are recognized in the period in which the obligation is incurred. The Company's related party lease obligations are deemed to be short term.

Credit Losses

ASC Topic 326, Financial Instruments – Credit Losses ("ASC 326") impacts the impairment model for certain financial assets by requiring a current expected credit loss ("CECL") methodology to estimate expected credit losses over the entire life of the financial asset. Under the accounting update, the Company has the ability to determine that there are no expected credit losses in certain circumstances (e.g., based on the credit quality of the customer). The Company has identified fees receivables as impacted by ASC 326.

**Note 2 - Net Capital Requirements**

The Company is registered with the SEC. The Company does not carry customer accounts and does not accept customer funds or securities.

**ANGEL POND CAPITAL LLC**  
**Notes to Financial Statement**  
**DECEMBER 31, 2022**

**Note 2 - Net Capital Requirements (continued)**

The Company is subject to the SEC Uniform Net Capital Rule (SEC Rule 15c3-1) which requires the maintenance of a minimum amount of net capital and requires the percentage of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. The Company's percentage of aggregate indebtedness to net capital was 7.43% at December 31, 2022. At December 31, 2022, the Company had net capital of \$164,334 which was \$159,334 in excess of its net capital requirement of \$5,000.

**Note 3 - Income Taxes**

As a limited liability company with one member, the Company is considered to be a disregarded entity for tax reporting purposes and is this not subject to Federal, state, or local income taxes and does not file income tax returns in any jurisdiction. All items of income, expense, gains, and losses are reportable by the member for tax purposes. The Company has no unrecognized tax benefits at December 31, 2022. However, revenue earned from clients of the Company headquartered in New York City subjects the Company to New York City Unincorporated Business Tax ("NYCUBT"). However, the Member of the Company reports any income derived from New York City source income that may be subject to NYCUBT on his personal tax return.

The Company applies the provisions of ASC Topic 740 "*Income Taxes*" as they related to uncertain tax positions. Management is required to determine how uncertain tax positions should be recognized, measured, presented and disclosed in the financial statements. This determination requires the evaluation of tax positions taken or expected to be taken in the course of preparing the Company's tax returns to determine whether the tax positions are "more-likely-than-not" of being sustained by the applicable tax authority. Tax positions not deemed to meet the more-likely-than-not threshold would be recorded as a tax benefit or expense in the current year. Management has determined that there are no uncertain tax positions which would require adjustments or disclosures on the financial statements.

**Note 4 - Securities Investor Protection Corporation**

APC is a member of SIPC and as such is required to pay its annual assessment and subject itself to an annual audit.

**Note 5 - Related Party Transactions**

As of December 1, 2019, the Company entered into an amended expense sharing agreement (the "Agreement") with Puissance Capital Management LP, an affiliate of the Company, which is under common ownership. Pursuant to the terms of the Agreement all expenses related to the business of the Company will be borne by the Company as follows:

All registration and filing fees incurred in connection with associated persons of the Company for registrations which may be required under (i) the Securities Exchange

**ANGEL POND CAPITAL LLC**  
**Notes to Financial Statement**  
**DECEMBER 31, 2022**

**Note 5 - Related Party Transactions**

Act of 1934 (the “Exchange Act”); (ii) the By-Laws and Rules of Financial Industry Regulatory Authority (“FINRA”); and (iii) all applicable securities laws and regulations of those States and other jurisdictions in which such associated persons of the Company intend to conduct business; and all FINRA related dues and assessment fees, annual independent auditor fees, fidelity bond premium fees, and its own federal, state and local tax liabilities.

All other expenses related to the business of the Company pursuant to the Agreement, including expenses paid by Puissance Capital Management LP, will be reimbursed by the Company. There was \$68,950 due from the affiliate at December 31, 2022 which is included in other assets.

The Agreement may be terminated by Puissance Capital Management LP for any reason upon written notice to the Company.

**Note 6 - Commitments and Contingencies**

In the normal course of its operations, the Company entered into a contract and agreement with a financial institution that contains indemnifications and warranties. The Company’s maximum exposure under this arrangement is unknown as this would involve future claims that may be made against the Company that have not yet occurred. However, the Company has not had prior claims or losses pursuant to this contract and expects the risk of loss to be remote.

There are no commitments or contingencies at December 31, 2022.

**Note 7 Going Concern**

As an SEC-registered and FINRA member broker-dealer, the Company must maintain minimum net capital on a daily basis in accordance with the SEC Uniform Net Capital Rule. The Company had a net loss of \$559,387 for the year ended December 31, 2022 and as a result the member of the Company made capital contributions of \$300,000 during the year ended December 31, 2022 to fund expenses and maintain its compliance with the net capital rule. It is the intention of the member to continue to operate the Company for the twelve-month period from the date that these financial statements are issued and contribute the necessary capital to maintain operations, fund its ongoing expenses and meet the net capital requirements of the SEC’s Uniform Net Capital Rule.

Management expects the Company to continue as a going concern and the accompanying financials statements have been prepared on a going-concern basis without adjustments for realization in the event the Company ceases to continue as a going concern.

**ANGEL POND CAPITAL LLC**  
**Notes to Financial Statement**  
**DECEMBER 31, 2022**

**Note 8 - Subsequent Events**

Management has evaluated the Company's events and transactions through the date the financial statements were available to be issued. The Company has determined that no subsequent events or transactions occurred during that period requiring recognition or disclosure.
