Dear Ms. Fiorin:

We have reviewed your amended registration statement and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter by amending your registration statement and providing the requested information. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your registration statement and the information you provide in response to these comments, we may have additional comments. Unless we note otherwise, our references to prior comments are to comments in our August 24, 2017 letter.

General

1. We note your response to comment 1. Please update the disclosure throughout the registration statement to include the nearest practicable date. For example, the disclosure still states on page 6 that the shares outstanding prior to the offering is as of February 21, 2017.
2. We reissue prior comment 3 in part. We continue to note the risk factor on page 9 that continues to reflect the company's ability to change the use of proceeds. The company may reserve the right to change the use of proceeds, provided that the reservation is due to certain contingencies that are discussed specifically and the alternatives to the use in that event are indicated. See Instruction 7 to Item 504 of Regulation S-K. You have not
