**Re: Worthy Peer Capital, Inc.  
Amendment No. 1 to  
Draft Offering Statement on Form 1-A  
Submitted May 12, 2017  
CIK No. 0001699834**

Dear Mr. Jacobs:

We have reviewed your amended draft offering statement and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter by providing the requested information and either submitting an amended draft offering statement or publicly filing your offering statement on EDGAR. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response. After reviewing any amendment to your draft offering statement or filed offering statement and the information you provide in response to these comments, we may have additional comments.

General

1. We note your response to comment 1, which asked you to provide a detailed analysis of whether Worthy Peer Capital meets the definition of "investment company" under Section 3(a) of the Investment Company Act of 1940 (the "1940 Act"), including a detailed analysis of Worthy Peer Capital's anticipated composition of assets for purposes of the 40% test under Section 3(a)(1)(C). In your response, you assert that you "do not believe that the Company's business plan meets the definition of an investment company" because: (1) "[t]he Company intends to purchase whole loans from crowd funding platforms which loans are exempt under the [1940 Act] pursuant to Section 3(c)(5)(A) and 3(c)(5)(B) of the [1940] Act"; and (2) "[t]he Company also intends to make direct loans to asset based borrowers, which will be secured by inventory and other corporate assets."

Your response does not provide us with a sufficient basis on which to determine whether Worthy Peer Capital meets the statutory definition of “investment company” or whether Worthy Peer Capital may properly rely on an exclusion therefrom. If Worthy Peer Capital may rely on the exclusion provided in Section 3(c)(5)(A) and/or (B) of the 1940 Act, it must be primarily engaged in businesses described in those provisions. In this regard, we note that Section 3(c)(5)(A) is available only where acquired obligations “represent part or all of the sales price of merchandise, insurance and services . . .” and Section 3(c)(5)(B) is available only where loans are made in connection with “specified merchandise, insurance, and services.” (emphasis added). Tangentially, we further note that companies that are excluded from the definition of investment company under Section 3(c) (including Section 3(c)(5)) are not eligible to engage in crowdfunding transactions under Securities Act Section 4A(f).

Please provide a detailed analysis of whether Worthy Peer Capital meets the definition of “investment company” under Section 3(a) of the 1940 Act and, if so, whether Worthy Peer Capital intends to rely on any exclusions therefrom. If Worthy Peer Capital intends to rely on Section 3(c)(5)(A)/(B), please provide a detailed analysis of how Worthy Peer Capital’s business will comply with the specific requirements of those provisions. Your response should address, with specificity, both the issue of primary engagement and the issue of substantive eligibility.
