Rental Marketplace, LLC

SAFE (Simple Agreement for Future Equity)

THIS CERTIFIES THAT in exchange for the payment by [INVESTOR NAME] (the “**Investor**”) of \$[AMOUNT] (the “**Purchase Amount**”) on or about [EFFECTIVE DATE], Rental Marketplace, LLC, a Delaware limited liability company (the “**Company**”), hereby issues to the Investor the right to obtain certain Preferred Units of the Company, subject to the terms set forth below.

The “**Valuation Cap**” is \$6,900,000.00 (on a pre-money basis).

See **Section 2** for certain additional defined terms.

1. Events

(a) **Equity Financing**. If there is an Equity Financing before the expiration or termination of this instrument, the Company will automatically issue to the Investor a number of units of Safe Preferred Units equal to the Purchase Amount divided by the Conversion Price.

In connection with the issuance of Safe Preferred Units by the Company to the Investor pursuant to this Section 1(a):

(i) The Investor will execute and deliver to the Company all transaction documents related to the Equity Financing; *provided*, that such documents are the same documents to be entered into with the new cash purchasers of Standard Preferred Units with appropriate variations for the Safe Preferred Units, if applicable, and *provided further*, that such documents have customary exceptions to any drag-along applicable to the Investor, including, without limitation, limited representations and warranties and limited liability and indemnification obligations on the part of the Investor; and

(ii) If the Purchase Amount is greater than \$50,000, the Investor and the Company will execute a Pro Rata Rights Agreement, unless the Investor is already included in such rights in the transaction documents related to the Equity Financing.

(b) **Liquidity Event**. If there is a Liquidity Event before the expiration or termination of this instrument, the Investor will, at its option, either (i) receive a cash payment equal to of the Purchase Amount (subject to the following paragraph) or (ii) automatically receive from the

Company a number of Class B Units equal to the Purchase Amount divided by the Liquidity Price, if the Investor fails to select the cash option.

In connection with Section (b)(i), the Purchase Amount will be due and payable by the Company to the Investor immediately prior to, or concurrent with, the consummation of the Liquidity Event. If there are not enough funds to pay the Investor and holders of other Safes (collectively, the “**Cash-Out Investors**”) in full, then all of the Company’s available funds will be distributed with equal priority and *pro rata* among the Cash-Out Investors in proportion to their Purchase Amounts, and the Cash-Out Investors will automatically receive the number of units of Class B Units equal to the remaining unpaid Purchase Amount divided by the Liquidity Price. In connection with a Change of Control intended to qualify as a tax-free reorganization, the Company may reduce, *pro rata*, the Purchase Amounts payable to the Cash-Out Investors by the amount determined by its board of directors in good faith to be advisable for such Change of Control to qualify as a tax-free reorganization for U.S. federal income tax purposes, and in such case, the Cash-Out Investors will automatically receive the number of Units of Class B Units equal to the remaining unpaid Purchase Amount divided by the Liquidity Price.

(c) **Dissolution Event**. If there is a Dissolution Event before this instrument expires or terminates, the Company will pay an amount equal to the Purchase Amount, due and payable to the Investor immediately prior to, or concurrent with, the consummation of the Dissolution Event. The Purchase Amount will be paid prior and in preference to any Distribution of any of the assets of the Company to holders of outstanding Capital Stock by reason of their ownership thereof. If immediately prior to the consummation of the Dissolution Event, the assets of the Company legally available for distribution to the Investor and all holders of all other Safes (the “**Dissolving Investors**”), as determined in good faith by the Company’s board of directors, are insufficient to permit the payment to the Dissolving Investors of their respective Purchase Amounts, then the entire assets of the Company legally available for distribution will be distributed with equal priority and *pro rata* among the Dissolving Investors in proportion to the Purchase Amounts they would otherwise be entitled to receive pursuant to this Section 1(c).

(d) **Termination**. This instrument will expire and terminate (without relieving the Company of any obligations arising from a prior breach of or non-compliance with this instrument) upon either (i) the issuance of Units to the Investor pursuant to Section 1(a) or Section 1(b)(ii); or (ii) the payment, or setting aside for payment, of amounts due the Investor pursuant to Section 1(b)(i) or Section 1(c).

“**Safe**” means an instrument containing a future right to Units of Capital Stock, similar in form and content to this instrument, purchased by investors for the purpose of funding the Company’s business operations.

“**Safe Preferred Units**” means the Units of a series of Preferred Units, having the identical rights, privileges, preferences and restrictions as the Units of Standard Preferred Units issued to the Investor in an Equity Financing, other than with respect to: (i) the per share liquidation preference and the conversion price for purposes of price-based anti-dilution protection, which will equal the Conversion Price; and (ii) the basis for any dividend rights, which will be based on the Conversion Price; *provided that* if the Conversion Price equals price per unit of the Standard Preferred Units sold in the Equity Financing, then Safe Preferred Units means Standard Preferred Units.
