- (vi) Required pursuant to a determination by the Superintendent that continuation of our present premium volume would jeopardize our solvency or be hazardous to the interest of our policyholders, our creditors or the public,
- (vii) A determination by the Superintendent that the continuation of the bond would violate, or would place us in violation of, any provision of the Insurance Code, or

The cancellation will be effective even if the underwriter/company has not made or offered a refund

Exhibit A

Resolutions Approved by the Board of Directors of Flat Rock Capital Corp. at the Meeting Held on May 14, 2019.

Approval of Renewal of Fidelity Bond

WHEREAS, Section 17(g) of the 1940 Act and Rule 17g-1(a) thereunder, require a registered investment company, such as the Corporation, to provide and maintain a bond which shall be issued by a reputable fidelity insurance company, authorized to do business in the place where the bond is issued, to protect the Corporation against larceny and embezzlement, covering each officer and employee of the registered investment company who may singly, or jointly with others, have access to the securities or funds of the registered investment company, either directly or through authority to draw upon such funds of, or to direct generally, the disposition of such securities, unless the officer or employee has such access solely through his position as an officer or employee of a bank (each, a “**covered person**”);

WHEREAS, Rule 17g-1 under the 1940 Act (“**Rule 17g-1**”) specifies that the bond may be in the form of (i) an individual bond for each covered person, or a schedule or blanket bond covering such persons, (ii) a blanket bond which names the Corporation as the only insured (a “**single insured bond**”), or (iii) a bond which names the Corporation and one or more other parties as insureds (a “**joint insured bond**”) as permitted by Rule 17g-1;

WHEREAS, Rule 17g-1 requires that a majority of the independent directors pursuant to the provisions of Rule 2(a)(19) of the 1940 Act (the “**Independent Directors**”) approve periodically (but not less than once every 12 months) the reasonableness of the form and amount of the bond, with due consideration to the value of the aggregate assets of the Corporation to which any covered person may have access, the type and terms of the arrangements made for the custody and safekeeping of such assets, and the nature of securities and other investments to be held by the Corporation, and pursuant to factors contained in Rule 17g-1; and

WHEREAS, under Rule 17g-1, the Corporation is required to make certain filings with the SEC and give certain notices to each member of the Board in connection with the bond, and designate an officer who shall make such filings and give such notices.

NOW THEREFORE BE IT RESOLVED, that having considered the expected aggregate value of the securities and funds of the Corporation to which officers or employees of the Corporation may have access (either directly or through authority to draw upon such funds or to direct generally the disposition of such securities), the type and terms of the arrangements made for the custody of such securities and funds, the nature of securities and other investments to be held by the Corporation, the accounting procedures and controls of the Corporation, the nature and method of conducting the operations of the Corporation, and the requirements of Section 17(g) of the 1940 Act and Rule 17g-1 thereunder, it is determined that the amount, type, form, premium and coverage, covering the officers and employees of the Corporation and insuring the Corporation against loss from fraudulent or dishonest acts, including larceny and embezzlement, issued by Tokio Marine HCC having an aggregate coverage of \$1,000,000 (the “**Fidelity Bond**”) is reasonable, and the Fidelity Bond be, and hereby is, approved by the Board,
