BCG Analysis

	Comments	Country				
Under pressure	Traditionally low-cost countries whose deteriorating competitiveness is driven by a wide range of factors	Brazil 	China 	Czech Rep. 	Poland 	Russia 
Losing Ground	Traditionally high-cost countries whose competitiveness continues to deteriorate because of weak productivity gains and higher energy costs	Australia 	Belgium 	France 	Italy 	Germany 
Holding steady	Countries roughly maintaining their relative competitiveness versus global leaders	Japan 	Indonesia 	Netherlands 	UK 	India 
Rising global stars	Improved competitiveness compared with the others due to moderate wage growth, sustained productivity gains, stable exchange rates and energy cost advantages	Mexico 	United States
