Form 10-K for Fiscal Year Ended December 31, 2018

Management's Discussion and Analysis of Financial Condition and Results of Operations  
Non-GAAP financial measures, page 44

1. We note that you present non-GAAP operating performance measures you identify as "Adjusted EBITDA and Studio-Level EBITDA" and "Adjusted net Loss." We also note that your adjustments include expenses such as deferred rent, legal settlement, severance, executive recruiting, professional fees and studio closure expenses. It appears that your adjustments are normal, recurring cash operating expenses necessary to operate your business. Please address the appropriateness of each of these adjustments in light of the guidance provided in Question 100.01 of the Non-GAAP Compliance and Disclosure Interpretations.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.
