Filed June 20, 2017  
File No. 000-55791**

Dear Mr. Payne:

We have reviewed your filing and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to these comments within ten business days by providing the requested information or advise us as soon as possible when you will respond. If you do not believe our comments apply to your facts and circumstances, please tell us why in your response.

After reviewing your response and any amendment you may file in response to these comments, we may have additional comments.

Item 3. Properties, page 77

1. We note your response to comment 7 that operating metrics such as occupancy and RevPAR are not material drivers of rent payments. Please clarify whether the company views these operating metrics to be material based on their relevance to CEOC's ability to make rental payments.

Note 2 – Statement of Operations Pro Forma Adjustments, page 62

2. We note your response to prior comment 5. Please revise your disclosure in Note 1(d) to disclose the components (i.e. future minimum lease payments to be received, unearned premium, etc.) of the net investment in direct financing leases similar to the disclosures required by ASC 840-30-50-4.
