Dear Mr. Kaplan:

We have reviewed your filing and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to these comments within ten business days by providing the requested information or advise us as soon as possible when you will respond. If you do not believe our comments apply to your facts and circumstances, please tell us why in your response.

After reviewing your response to these comments, we may have additional comments.

Schedule 14A

General

1. We note the Form S-1 registration statement (333-228906), filed December 19, 2018, relating to the exercise of the public and private warrants and issuance of underlying common stock, which has never become effective. Please tell us how you intend to ensure that the reduction in exercise price described in the warrant amendment proposal is consistent with the registration and current prospectus delivery requirements of Securities Act Section 5. For guidance, refer to Securities Act Compliance and Disclosure Interpretation 203.01.
2. Please provide your analysis that the modification of the redemption terms described in the warrant amendment proposal does not constitute the offer and sale of a new security within the meaning of Section 2(a)(3). To the extent you intend to rely on the exemption in Section 3(a)(9), tell us the basis for your reliance.
