Note 1 - Nature of Business and Significant Accounting Policies

Nature of Business:

XLII Financial Services LLC (the "Company") was organized as a Texas limited liability company in June 2017. The Company is a wholly-owned subsidiary of KLC Anderson Holding Company LLC (the "Parent"), a Texas limited liability company. The Company is registered with the Securities and Exchange Commission (SEC) as a broker-dealer in securities and is a member of the Financial Industry Regulatory Authority (FINRA) and Securities Investor Protection Corporation (SIPC).

The Company is considered a Non-Covered Firm exempt from 17 C.F.R. § 240.15c3-3 relying on Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5.

The Company's operations consist primarily in selling mutual funds and variable annuity insurance products to individuals in Texas.

Significant Accounting Policies:

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that could affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

XLII FINANCIAL SERVICES LLC
Notes to Financial Statements
March 31, 2022

Note 1 - Nature of Business and Significant Accounting Policies (continued)

Revenue Recognition

The Company enters into arrangements with pooled investment vehicles (funds) to distribute shares to investors and insurance companies to issue variable annuity contracts. The Company may receive distribution fees and variable annuity fees paid by the fund and insurance companies up front, over time, upon the investor's exit from the fund and annuity contracts (that is, a contingent deferred sales charge), or as a combination thereof. The Company believes that its performance obligation is the sale of securities or variable annuity contracts to investors and as such this is fulfilled on the trade date or variable annuity contract funding date. Any fixed amounts are recognized on the trade date and variable amounts are recognized to the extent it is probable that a significant revenue reversal will not occur once the uncertainty is resolved. For variable amounts, as the uncertainty is dependent on the value of the shares or annuity contracts at future points in time as well as the length of time the investor remains in the fund and annuity contracts, both of which are highly susceptible to factors outside the Company's influence, the Company does not believe it can overcome this constraint until the market value of the fund and annuity contracts and the investor activities are known, which are usually monthly or quarterly. Distribution and annuity contract fees recognized in the current period are primarily related to performance obligations that have been satisfied in prior periods.

Income Taxes

The Company is a single member limited liability company and is treated as a disregarded entity for federal income tax purposes. The Parent is also a single member limited liability company and is treated as a disregarded entity for federal income tax purposes. The Company's and Parent's taxable income or loss is included in the individual tax return of the Parent's member; therefore, federal income taxes are not payable by or provided for the Company. Consequently, federal income taxes are not payable by, or provided for, the Company.

Note 2 – Net Capital Requirements

The Company is subject to the SEC Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At March 31, 2022, the Company had net capital of \$9,801 which was \$4,801 in excess of its required net capital of \$5,000. The Company's net capital ratio was zero to 1.

XLII FINANCIAL SERVICES LLC
Notes to Financial Statements
March 31, 2022

Note 3 – Related Party Transactions/Economic Dependency/Concentration of Revenue

The sole member of the Parent (the “Member”), who is also an officer and registered securities representative of the Company, generated all of the revenue for the year ended March 31, 2022 and received no compensation. The Company is economically dependent upon the Member due to the concentration of revenue generated.

The Member provides office space and general overhead for the Company at no cost to the Company.

Note 4 – Contingencies

There are currently no asserted claims or legal proceedings against the Company, however, the nature of the Company's business subjects it to various claims, regulatory examinations, and other proceedings in the ordinary course of business. The ultimate outcome of any such action against the Company could have an adverse impact on the financial condition, results of operations, or cash flows of the Company.

Note 5 – Subsequent Events

Management has evaluated the Company's events and transactions that occurred subsequent to March 31, 2022, through May 25, 2022, the date which the financial statements were available to be issued. There have been no material subsequent events that occurred during such period that would require disclosure in this report or would be required to be recognized in the financial statements as of March 31, 2022.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Member
XLII Financial Services LLC

We have reviewed management's statements, included in the accompanying Rule 15c3-3 Exemption Report pursuant to SEC Rule 17a-5, in which (1) XLII Financial Services LLC (the Company) did not claim an exemption under paragraph (k) of 17 C.F.R. §240.15c3-3, and (2) the Company is filing this Exemption Report relying on Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 because the Company limits its business activities exclusively to effecting securities transactions via subscriptions on a subscription way basis where the funds are payable to the issuer or its agent and not to the Company. In addition, the Company did not directly or indirectly receive, hold, or otherwise owe funds or securities for or to customers, other than money or other consideration received and promptly transmitted in compliance with paragraph (a) or (b)(2) of Rule 15c2-4 and/or funds received and promptly transmitted for effecting transactions via subscriptions on a subscription way basis where the funds are payable to the issuer or its agent and not to the Company; did not carry accounts of or for customers; and did not carry PAB accounts (as defined in Rule 15c3-3) throughout the most recent fiscal year without exception.

XLII Financial Services LLC 's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about XLII Financial Services LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based upon the Company's business activities contemplated by Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5, and related SEC Staff Frequently Asked Questions.
