Education

Founder Gym

Startups

2018 – 2018

Founder Gym is an online training center for underrepresented founders who want to build successful tech startups. Incorporating best practices from entrepreneurship, education, and sports psychology, Founder Gym offers an innovative approach to develop the world's next great entrepreneurs.

During the span of 4 weeks, founders complete structured exercises to increase their strength in a core area of startup success, and receive expert training from investors and experienced founders. The program is 100% virtual and highly selective.

I studies:

- Pitching
- Startup Related Social Media
- Startup Related Fundraising
- Network Building
