NextSeed Campaign Video Transcript

What does it mean to be an American?

Being an American means being free and protected by the men and women who sacrifice their lives to serve our country.

It means giving back to the communities in which we live and work, and believing in the power of hard work, and the American worker.

It means treating other Americans with dignity and respect even in the midst of disagreement.

Being an American is an honor and a privilege.

These American values are the foundation of Authentically American.
