Form 20-F for Fiscal Year Ended August 31, 2022

Independent Auditor's Report, page F-4

1. Please advise your independent auditor that their reports on pages F-4 and F-70 should include a statement that their audit was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States). Please refer to Instruction 2 to Item 8.A.2 of Form 20-F. Also, audit opinions using conditional language, like “may,” in expressing a conclusion concerning the existence of substantial doubt about an entity’s ability to continue as a going concern are not appropriate. Please make arrangements with your auditor for their report to clearly state that there is substantial doubt about your ability to continue as a going concern, if true. Finally, their revised reports should meet the requirements of PCAOB Auditing Standards 2415 and 3101. Please include the revised reports in an amended Form 20-F.
