File No. 367-00110

Dear Mr. Morgus:

Our preliminary review of your offering statement indicates that it fails in numerous material respects to comply with the requirements of the form. In particular, it does not include a report from the auditors as required by Form 1-A. We will not perform a detailed examination of the offering statement and we will not issue comments.

We will not be in a position to qualify the Form 1-A until you amend your offering statement to correct the deficiencies and address any comments we may have at that time.

Please contact Chris Edwards at (202) 551-6761 with any questions.
