FORTRESS PRIVATE LEDGER, LLC

Notes to Financial Statements

December 31, 2022

Note A - Summary of Organization, Operations, and Significant Accounting and Reporting Policies

Nature of Operations

Fortress Private Ledger, LLC (“FPL” or “the Company”), is engaged in the securities and investment brokerage business. The Company is a broker-dealer registered with the Securities and Exchange Commission (“SEC”) and the Financial Industry Regulatory Authority (“FINRA”). The Company is also a registered investment advisor and a member of the Securities Investor Protection Corporation (“SIPC”).

FPL is a single member North Carolina limited liability company.

Use of Estimates in Financial Statement Preparation

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of reporting cash flows, the Company considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents. The Company’s cash and cash equivalents are on deposit with a major domestic financial institution. At times, bank deposits may be in excess of federally insured limits. As of December 31, 2022, the cash on deposit did not exceed the FDIC insured limit.

Recognition of Revenues

On January 1, 2018, the Company adopted ASU 2014-09 *Revenue from Contracts with Customers* and all subsequent amendments to the ASU (collectively, “ASC 606”), which creates a single framework for recognizing revenue from contracts with customers that fall within its scope.

Revenue is measured based on a consideration specified in a contract with a customer. The Company recognizes revenue when it satisfies a performance obligation by transferring control over goods or service to a customer. Services within the scope of ASC 606 include investment advisory fees, investment brokerage fees, and mutual fund and 12b1 fees.

The Company earns Investment Advisory Fees from its contracts with brokerage customers to manage assets for investment, and/or to transact on their accounts. The Investment Advisory Fees are earned and calculated daily as the Company provides the contracted services and are generally assessed based on the market value of assets under management (AUM) at month-end. The fees are paid out monthly.

FORTRESS PRIVATE LEDGER, LLC

Notes to Financial Statements

December 31, 2022

Note A - Summary of Organization, Operations, and Significant Accounting and Reporting Policies (Continued)

The Company earns brokerage fees from its contracts with brokerage customers to transact on their account. Fees are transaction based, including trade execution services, are recognized at the point in time that the transaction is executed, i.e., the trade date. This includes riskless principal (government and corporate bonds) transactions in which the company receives a buy order from a customer and the Company purchases the security from another person or entity to offset the sale to the customer. Company buys the bond at a lower price than it sells it. The riskless principal revenue is earned at the time the transaction is executed.

Other related services provided include financial planning services and the fees the Company earns, which are based on a fixed fee schedule, are recognized when the services are rendered.

Mutual Funds or pooled investment vehicles (collectively, "funds") have entered into agreements with the Company to distribute/sell its shares to investors. Fees are paid up front and over time (12b-1 fees) on the basis of a contractual rate applied to the monthly or quarterly market value of the fund (that is, net asset value [NAV]), the fund may also pay, upon investor exit from the fund (that is, a contingent deferred sales charge [CDSC]), or as a combination thereof. Revenue is recognized monthly as services are provided.

Customer Accounts

The Company operates pursuant to paragraph (k)(2)(ii) of Rule 15c3-3 and does not carry customer accounts or clear customer transactions. Accordingly, all customer transactions for client assets held at the clearing firm are executed and cleared on behalf of the Company by Interactive Brokers LLC ("IB") on a fully disclosed basis. The Company's agreement with IB provides that as clearing broker, IB will make and keep such records of transactions effected and cleared in the customer accounts as are customarily made and kept by a clearing broker pursuant to the requirements of Rules 17a-3 and 17a-4 of the Securities Exchange Act of 1934, as amended, and will perform all services customarily incident thereto. All customer funds and securities received, if any, are promptly transmitted directly to IB. As a result, the Company is exempt from the remaining provisions and requirements of Rule 15c3-3.

Certain client assets are held away from IB (i.e. investments in variable insurance products, mutual funds, etc.). All customer funds are promptly transmitted directly to the carrier. The Company does not accept any physical securities.

In that regard, the Company has evaluated its tax positions, expiring statutes of limitations, audits, proposed settlements, changes in tax law and new authoritative rulings and believes that no provision for income taxes is necessary at this time to cover any uncertain tax positions.
