
Dear Investors,

2019 was the year we put down roots.

Sincerely,

Our Mission

At first, we're a food truck but Black Momma Tea & Cafe has a lot of corporate history. We've been in business since 2014 and have had a lot of ups and downs. We've learned a lot, have made a lot of mistakes, and have had a lot of fun. This year will be no different. We're excited to share our journey with you and look forward to your feedback.

We are SO GRATEFUL

How did we do this year?
