Report of Independent Registered Public Accounting Firm

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Member of
Euronext Market Services LLC

Opinion on the Financial Statement

We have audited the accompanying statement of financial condition of Euronext Market Services LLC (the "Company") as of December 31, 2022, and the related notes (collectively referred to as the "financial statement"). In our opinion, the financial statement presents fairly, in all material respects, the financial position of the Company as of December 31, 2022 in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audit we are required to obtain an understanding of internal control over financial reporting but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion.

Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statement. We believe that our audit provides a reasonable basis for our opinion.

We have served as the Company's auditor since 2018 (such date takes into account the acquisition of Rotenberg Meril Solomon Bertiger & Guttilla, P.C., by Marcum LLP effective February 1, 2022).

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - NATURE OF OPERATIONS AND BASIS OF PRESENTATION

Organization and Description of Business

Euronext Market Services LLC (the “Company”) is a wholly-owned subsidiary of Euronext US, Inc. (the “Parent”). The Company is a limited liability company and was formed under the laws of the state of Delaware in July 2017. On September 10, 2018, the Company became a broker-dealer and as such is registered with the Securities and Exchange Commission (the “SEC”) and a member of the Financial Industry Regulatory Authority (“FINRA”) and the Securities Investors Protection Corporation (“SIPC”).

The Company was originally approved by FINRA to do business as an alternative trading system (“ATS”) to trade U.S. corporate debt securities and U.S. Treasury securities, but the Company is not currently actively engaged as an ATS. In addition, the Company offers SEC Rule 28(e) soft dollar trade reconciliation services between other FINRA broker dealers and their asset manager clients. These services are limited to accounting, reconciliation, and retention services of soft dollar transactions uploaded and systemized through trade reconciliation technology provided by an affiliate, Commcise Software Limited (the “Affiliate”). See Note 7 for related party transactions.

Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (“US GAAP”) and pursuant to Rule 17a-5 of the Securities and Exchange Commission Act of 1934. The classification and reporting of items appearing on the financial statements are consistent with that rule. The Company does not claim an exemption from Rule 15c3-3 in reliance upon footnote 74 of SEC Release No. 34-70073 dated July 30, 2013, and as discussed in Question 8 of the related FAQ released by SEC staff on April 4, 2014. The Company does not hold customer funds or securities and does not carry accounts of or for customers.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

Management uses estimates and assumptions in preparing these financial statements in accordance with US GAAP. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and the reported revenues and expenses. Actual results could vary from the estimates that were used.

EURONEXT MARKET SERVICES LLC
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2022

Cash and Cash Equivalents

The Company considers all highly liquid investments with maturity of three months or less at the time of purchase to be cash equivalents. Cash and cash equivalents consist primarily of cash and money market funds held at banks and other financial institutions.

Information on Remaining Performance Obligations

The Company does not disclose information about remaining performance obligations pertaining to contracts that have an original expected duration of one year or less. These performance obligations generally relate to the service fee income and are resolved monthly as services are performed under the terms of the contracts.

Contract Balances

The timing of the revenue recognition may differ from the timing of payment by the customers. The Company records an unbilled receivable when revenue is recognized prior to invoicing and it has an unconditional right to payment. Alternatively, when payment precedes the provision of the related services, the Company records deferred revenue until the performance obligations are satisfied. The Company records accounts receivables when services are billed to the customer.

The Company had receivables related to revenues from contracts with customers of \$597,688 at December 31, 2022, consisting of \$238,911 of unbilled receivables, and \$358,777 of accounts receivable. The Company expects the entirety of these receivables to be collected in accordance with the invoice terms in 2023.

Contract Costs

Incremental costs of obtaining a contract are capitalized if they are expected to be recovered. Incremental contract costs that have an amortization period of one year or less are expensed as a practical expedient. There were no incremental contract costs during 2022. The Company does not incur any other contract costs with the exception of the services provided by the Affiliate. At December 31, 2022, the Company owes the Affiliate \$217,887. Please see Note 7 for further details.

Income Taxes

The Company is a single member limited liability company, which has elected to be taxed as a corporation for income tax reporting purposes. The Company is included in a consolidated federal, New York State and New York City group return of its Parent.

EURONEXT MARKET SERVICES LLC
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2022

Since the transactions reported in the Company's financial statements have income tax implications to the Parent, management believes that the Company's financial statements should reflect income tax expense and deferred income tax assets and liabilities attributable to the Company. Federal, state, and local income taxes are calculated as if the Company filed on a separate return basis and the amount of current tax or benefit calculated is either remitted to or received from the Parent.

The Company accounts for income taxes pursuant to Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 740, *Income Taxes*. Deferred tax assets and liabilities are determined based on temporary differences between the bases of certain assets and liabilities for income tax and financial reporting purposes. The deferred tax assets and liabilities are classified according to the financial statement classification of the assets and liabilities generating the differences.

The Company maintains a valuation allowance with respect to deferred tax assets. The Company establishes a valuation allowance based upon the potential likelihood of realizing the deferred tax asset within the Parent's group return. Future realization of the deferred tax benefit depends on the existence of sufficient group taxable income within the carry-forward period. Any change in the valuation allowance will be included in income in the year of the change in estimate.

The Parent has evaluated the Company's tax positions and concluded that the Company has no uncertain tax positions that require adjustment to or disclosures in the financial statements.

Financial Instruments - Credit Losses

On January 1, 2020, the Company adopted ASU No. 2016-13, *Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments* ("ASU 2016-13"). The new guidance required an entity to measure all expected credit losses for financial assets measured at amortized cost based on historical experience, current conditions, and reasonable and supportable forecasts as opposed to delaying recognition until the loss was probable of occurring. The Company's assets within the scope of ASU 2016-13 include accounts receivable and unbilled receivables. For these financial instruments within the guidance's scope, the expected credit losses were determined to be immaterial considering the counterparty's credit quality, an insignificant history of credit losses, and/or the short-term nature of the credit exposure.

NOTE 3 - CONTINGENCIES

Legal Matters

From time to time, we may be involved in litigation relating to claims arising out of operations in the normal course of business. There were no pending or threatened lawsuits that could reasonably be expected to have a material effect on the results of our operations.

There are no proceedings in which any of our management, members or affiliates, is an adverse party or has a material interest adverse to our interest.

NOTE 4 - CONCENTRATIONS OF CREDIT RISK

The Company maintains its cash balances in one financial institution, which are not insured. At December 31, 2022 the Company's cash balance account had an uninsured balance of \$2,020,112. The Company has not incurred any losses in its account.

The Company provides its support and operational services to its customers through the Affiliate pursuant to the intercompany services agreement as discussed in Note 7.

NOTE 5 - NET CAPITAL REQUIREMENT

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum regulatory net capital, and requires that the ratio of aggregate indebtedness to regulatory net capital, both as defined, shall not exceed 15 to 1. At December 31, 2022, the Company had net capital of \$1,592,222, which exceeded its requirement of \$28,526 by \$1,563,696. The ratio of aggregate indebtedness to net capital was .27 to 1.

NOTE 6 - INCOME TAXES

The Company elected to be taxed as a corporation for federal income tax purposes and is included in its Parent's consolidated federal income tax return. The Company also is included in its Parent's combined state and local income tax returns. The Company has elected to include its allocated amount of current and deferred taxes in its financial statements as if the Company filed a separate federal income tax return.

The Parent's group returns for calendar years 2019 through 2021 are subject to federal, state and local examination. The Parent's group return for the 2022 calendar year has not been filed yet.
