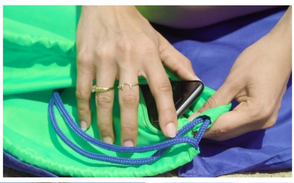
ABOUT BEACHSHEETZ, LLC.

The world's first 7ft x 7ft rip-stop microfiber beach sheet, that is heat-resistant, sand-resistant, and water-resistant. It comes with 4 weighted corners to hold it down on a windy day, and an attached drawstring backpack for easy transport and storage. We even included a secret hideaway pocket for your valuables.

WHY YOU SHOULD INVEST

We have a one-of-a-kind and extremely popular product that has resonated with customers worldwide. In our first round of production, we released our product on Amazon and sold out (1500+ units) in nearly 60 days. For our next round, we decided to do a Kickstarter campaign, and we raised over $150,000 from over 2500 backers in 30 days. BeachSheetz holds the prestigious title of one of the Top 1% of all Kickstarter campaigns, ever.

Our demand is so great, we cannot keep up. We need capital to place a larger order, bring down the cost of manufacturing, and help us get into retail outlets across the nation and world.



HOW WE INTEND TO MAKE MONEY

We are already making money. We sell out products online, direct to consumers. We also intend to break into big-box retail in the near future.

WHY WE ARE RAISING CAPITAL, AND WHAT WE'LL DO WITH IT

We are raising capital because we need to place a much larger order of product to meet the demand from customers. We have sold out, twice, and cannot keep up. We just introduced 4 new color options of our product and people went wild. It's certainly a great problem to have.
