Business

Concentration of Suppliers, page 44

1. We note your response to prior comment 1. Please provide us with a more detailed analysis regarding why you believe the identity of your largest data supplier is not material to investors. As part of your response, disclose the costs related to this supplier as a percentage of your total data acquisition costs. Further, to the extent material, revise to expand your risk factor to disclose your reliance on the supplier and the company's ability to replace this supplier if necessary
