Recommendations

Received (2) Given (1)

Daniel Rubin
VP of Technology at Akademos, Inc.
September 14, 2009, Daniel managed Ivan directly

Ivan posses a wide breadth of knowledge in the areas of system administration and development. Was able to work on his own to effectively solve multitude of IT issues. A great addition to any team.

Petro Bondarevskyi
Founder, Creative Advisor
March 5, 2008, Petro worked with Ivan but at different companies

Strong points are: highly efficient work, managing skills, working overtime (if required) and result-oriented working. Ivan is very strong in latest web-development trends and innovations, can quickly apply 'em to actual projects.
