CONTENT MANAGEMENT

# SYSTEM

CMS

**Our proprietary  
Content  
Management  
System allows us to  
update our apps in  
real time**

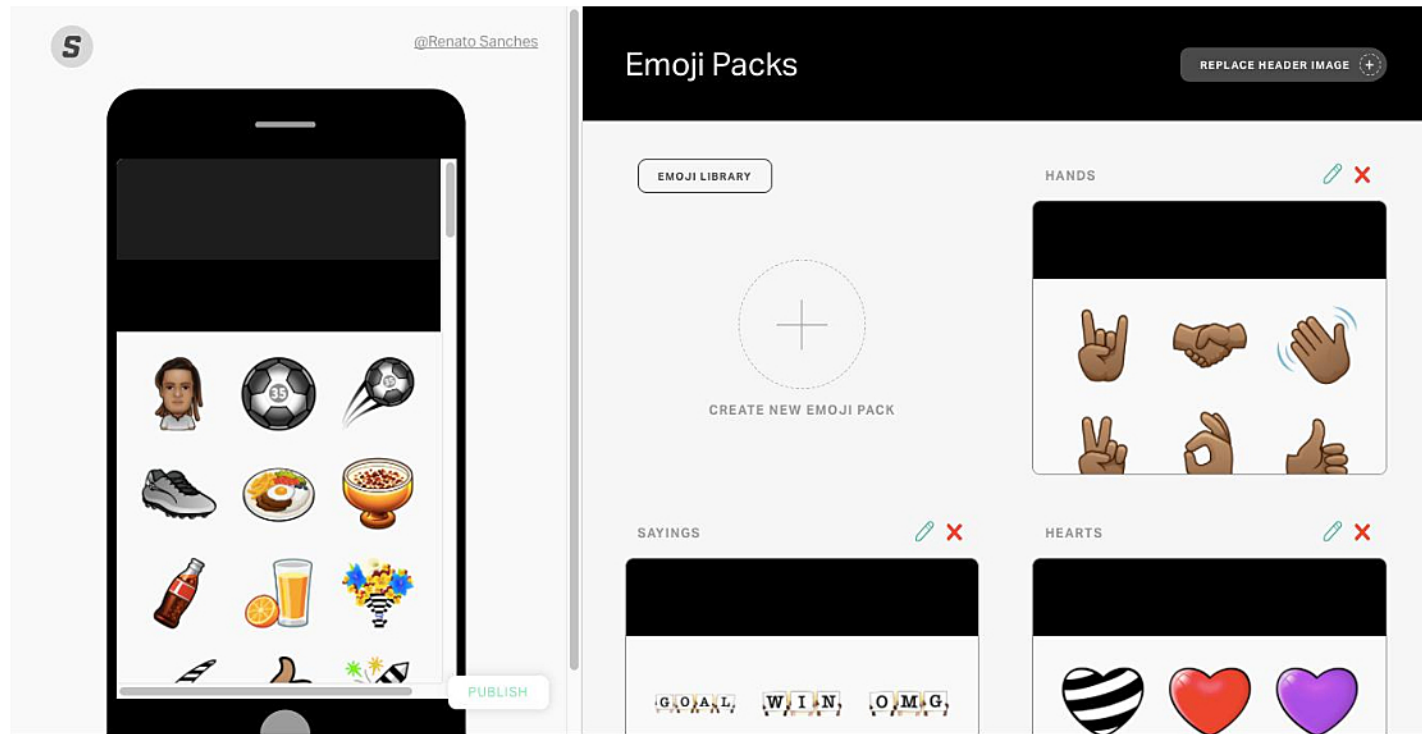

# CMS

- We have the ability to add, remove, or edit the order of any emoji in our app as well as divide emojis into subsections.
- Our CMS is easy and intuitive to use with a drag and drop interface.
- Ability to add emojis quickly to commemorate special events.

# HIERO 2 ART

HIERO 2, INC.

ART

**We don't just  
create emojis,  
we create valuable  
art and IP**

## HIERO 2, INC.

### ART

- Hiero 2 creates emojis that are fun, bright, and works of art.
- We work with our clients direction, creating a variety of emojis in different styles.
- We know which emojis people use, which emojis are “sticky”, and how to make artwork that really POP’s.
- Hiero 2 creates mascots that attract a younger audience.

# MASCOTS
