Filed March 2, 2018
File No. 333-223405**

Dear Mr. Chen:

We have reviewed your registration statement and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter by amending your registration statement and providing the requested information. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your registration statement and the information you provide in response to these comments, we may have additional comments.

Prospectus Summary, page 1

1. You state that the prospectus contains information from a report commissioned by you and prepared by iResearch. Please provide us with a copy of the iResearch Report for our review. Clearly mark the specific language in the supporting materials that supports each statement in the prospectus.
2. Please revise to disclose that you derived 65.7%, 65.4% and 83.4% of your revenues from mobile games in 2015, 2016 and 2017, respectively, and that you derive a significant portion of mobile game revenues from a limited number of games, including that, in 2017, two mobile games accounted for more than 10% of your total mobile game revenues, one for 71.8% and the other for 12.7%.

Management's Discussion and Analysis of Financial Condition and Results of Operations

Key Factors Affecting Our Results of Operations, page 72

3. Please tell us your consideration of disclosing the average revenue per monthly paying user and the average revenue per monthly paying user for mobile games for each quarterly period presented. This appears to be important information necessary to understanding your revenues and operating results considering your ability to monetize depends on your ability to increase the spending of your paying users. We refer you to Part I, Items 5A and 5D of Form 20-F and Section III.B of SEC Release 33-8350.

Related Party Transactions, page 158

4. You state that you have received and expect to continue to receive certain services from the spun-off entities on an arm's length basis. Please revise to provide the material terms of any related agreement(s) and file such agreement(s) as exhibits to the registration statement or tell us why you believe these are not material. Refer to Item 601(b)(10) of Regulation S-K.
5. Please revise to identify your existing shareholders and management team members who established the investment fund as well as the subsidiary that is a limited partner of the investment fund. Also file related agreements as exhibits to the registration statement or tell us why the information is not material. Refer to Item 7.B. of Form 20-F and Item 601(b) of Regulation S-K.

Taxation, page 183

6. We note that you have filed the opinions of Walkers regarding certain Cayman Islands tax matters and Commerce & Finance Law Offices regarding certain PRC tax matters as Exhibits 8.1 and 8.2, respectively. Please revise to clearly identify each material tax consequence being opined upon and identify the tax counsels. For guidance, refer to Section III of Staff Legal Bulletin No. 19.

Consolidated Financial Statements

Note 29. Subsequent Events, page F-66

7. Please clarify your disclosures that indicate the consideration of the transfer is expected to be approximately RMB500.00 million, which represents a premium of approximately RMB53.7 million over the carrying value of these investments. In this respect, tell us the amount of consideration that the Company will receive in connection with the transfer. Explain whether the transfer consideration represents the fair value of the equity investments transferred. Describe in detail the nature of the equity investments that will be transferred and when you expect the transfer to be completed. In addition, tell us your consideration of providing pro forma financial information to reflect the transfer of the equity investments. We refer you to Article 11-01 of Regulation S-X.
