Form 20-F for the Year Ended December 31, 2022

Item 3. Key Information

Licenses and Approvals, page 7

1. We note your response to comment 1. Please revise to identify your PRC legal counsel referenced in the filing. Your disclosure also provides that you have received all approvals "explicitly" required. Please clarify in your disclosure whether the company is subject to other approvals not "explicitly" required.

The Group is subject to a variety of laws and other obligations regarding data protection . . . , page 29

2. Based on your response to comment 3, it appears that you did not rely upon an opinion of counsel with respect to your conclusion that you are compliant with PRC laws and regulations regarding data security. Please revise your disclosure here to clearly state as much and explain why such an opinion was not obtained.

Item 16.I.

Disclosure Regarding Foreign Jurisdictions that Prevent Inspections, page 118

3. We note your statement that you reviewed your register of members and public filings made by your shareholders in connection with your required submission under paragraph (a). Please supplementally describe any additional materials that were reviewed and tell us whether you relied upon any legal opinions or third party certifications such as affidavits as the basis for your submission. In your response, please provide a similarly detailed discussion of the materials reviewed and legal opinions or third party certifications relied upon in connection with the required disclosures under paragraphs (b)(2) and (3).
4. We note that your disclosures pursuant to paragraph (b) are limited to yourself and your “material operating entities.” However, please note that Item 16I(b) requires that you provide disclosures for yourself and your consolidated foreign operating entities, including variable interest entities or similar structures. With respect to (b)(2), please supplementally clarify the jurisdictions in which your consolidated foreign operating entities are organized or incorporated and confirm, if true, that you have disclosed the percentage of your shares or the shares of your consolidated operating entities owned by governmental entities in each foreign jurisdiction in which you have consolidated operating entities. Alternatively, please provide this information in your supplemental response. Please also make corresponding representations, if true, with respect to (b)(3), (4) and (5), or provide this information in your supplemental response.
5. In order to clarify the scope of your review, please supplementally describe the steps you have taken to confirm that none of the members of your board or the boards of your consolidated foreign operating entities are officials of the Chinese Communist Party. For instance, please tell us how the board members’ current or prior memberships on, or affiliations with, committees of the Chinese Communist Party factored into your determination. In addition, please tell us whether you have relied upon third party certifications such as affidavits as the basis for your disclosure.
6. With respect to your disclosure pursuant to Item 16I(b)(5), we note that you have included language that such disclosure is “to our best knowledge.” Please supplementally confirm without qualification, if true, that your articles and the articles of your consolidated foreign operating entities do not contain wording from any charter of the Chinese Communist Party.
